Report of the Committee of the Grand Jury appointed to report on the Co. Gaol.

We have examined the Accounts of the County Gaol, and compared them with the Vouchers, and find them quite correct.

We recommend that the sum of £856 15s. 0d. (the amount suggested by the Board of Superintendence), should be presented.

We are glad to find, by reference to the School Register, that the visits of the Chaplains have been frequent and regular since last Assizes.

The Industrial Work Account has been laid before us, for the last half-year, and has been very satisfactory, shewing a nett profit of £48 19s. 9½d.

We regret to observe, in the Report of the Board of Superintendence, a paragraph relating to the continued existence of the manure depot of the Corporation, which they regard as a dangerous and alarming nuisance.

The manure depot of the Corporation, referred to in the last Report to the Grand Jury, is still in the same place; and the Medical Officer and the Board continue to regard it as a dangerous and alarming nuisance in the neighbourhood. There have been several cases of Fever since the last Assizes but no death of a Prisoner, otherwise the Prison has been very healthy.

RESOLUTIONS OF THE GRAND JURY,

From Spring Assizes, 1861.

Spring Assizes, 1861.

ORDERED—That a Committee, consisting of the Hon. S. E. Spring Rice, Mr. Croker, Mr. Considine, Mr. Delmege, Colonel Dickson, M.P., Mr. E. Gabbett, and Mr. William Smith O'Brien, be appointed for the purpose of ascertaining whether an arrangement can be made for relieving the City of Limerick, and for promoting the interest and convenience of the inhabitants of the Counties of Clare and Limerick, by purchasing from the Board of Works the Tolls of the Wellesley Bridge. That such Committee have power to carry on their enquiries in the interval between this time and the next Assizes, and to report to the Grand Jury at next Summer Assizes.

ORDERED—That we direct our Solicitor to take Counsel's opinion as to whether the County is to keep the roads both over and under the Railways in repair, as also the bridges, and the approaches thereto, or whether the several Railway Companies are legally bound to do so.

Summer Assizes, 1861.

RESOLVED—That our Solicitor, Mr. Murphy, be directed to obtain Mr. Brewster's opinion as to the respective liability of the County, and of the Railway Companies, for the maintenance of roads on the surface of bridges over railways and the approaches thereto.

ORDERED—That John W. Channer, Esq., Sub-Inspector of Constabulary at Adare, be appointed to stamp and adjust the Sub-Standards of the County of Limerick, pursuant to the 7th section of 23rd & 24th Victoria, cap. 119, and to have custody of the County Copies pointed out in section 6.

RESOLVED—That it is the opinion of this Grand Jury that a Protestant and a Catholic Chaplain ought to constitute a part of the staff of the County Infirmary.

Spring Assizes, 1862.

ORDERED—That Mr. Murphy, our Local Solicitor, shall take such steps, consistent with public convenience, as shall relieve the County from the charge of keeping in repair the roads passing over and under Railway bridges in this County.

RESOLVED—That it is the opinion of this Grand Jury that it would be very desirable and conducive to the public service, that the Coroners in Ireland should be placed on a similar footing with the Coroners of England, as provided by the 23rd Vic., cap. 116, sec. 4, by substituting fixed salaries in place of fees, and that our Secretary be requested to convey this resolution to the Chief Secretary for Ireland, and that our County Members be requested to co-operate.

That a condition be attached to Presentment for County Hospital, requesting that in future the Governors shall reserve the Charity for County Patients only.

It was proposed to the Grand Jury that Ten Beds should be reserved in County Infirmary for City Patients,—Eleven voted for,—Ten against—In a question of this nature is a Jury of Twelve necessary ?

Ruled by the Court that there should be a Jury of Twelve for.

With reference to the observations made by the Judge of Assize regarding the instances of undetected crime, We, the Grand Jury of the County of Limerick, cannot help remarking that, in our opinion, the Police Force is assuming too much of a military character; we do not wish to cast any imputation upon a body of men whose conduct and general behaviour have always been most exemplary—especially those officers and men connected with our own County—but it is obvious that taking them from their legitimate duties to exercise and drill them as soldiers, sending them to Hythe to compete with the army in rifle shooting, and keeping an unnecessarily large reserve in Dublin, for the support of a large portion of which the Counties are annually taxed, materially interfering with an effective system of discovering agrarian offenders.

We would also observe that the practice of appointing military officers to the higher ranks of the force, is a great discouragement to the officers of the Police in the execution of their duties, a very great injustice, and deprives them of their legitimate chances of promotion.

JOHN BOLTON MASSY, Foreman.
EDWARD CROKER, High Sheriff, County Limerick.

Summer Assizes, 1862.

Resolved—That it is the duty of the County Surveyors to report to the Grand Jury all cases in which contracts have not been properly performed, specifying those cases in which they are of opinion that proceedings ought to be taken against the Contractors or their Securities. This resolution is not intended to interfere in any way with such proceedings of a summary nature as the County Surveyors may think it right to adopt for securing the due performance of Contracts.

Spring Assizes, 1863.

Resolved—That the sum of £3,000 be borrowed for the purchase of premises for the accommodation of the Royal Limerick County Regiment of Militia, such sum to be raised by mortgage on the rates of the County, under the provisions 17th & 18th vic., cap. 107, sec. 39 :

And that the following persons are appointed a Committee for carrying out the above object, and for laying out the money to the best advantage, :—

Edward Croker, Esq.
Henry Maunsell, Esq.
Geore Fosbery, Esq.
George Vandeleur, Esq.
Sir William H. Barrington, Bart.

Immediate.

Dublin Castle, 3rd March, 1863.

Sir

I am directed by the Lord Lieutenant to state for the information of the Grand Jury for the County of Limerick, that his Excellency finds from the report of the Inspector-General of Militia, that the house at present occupied by the stores of the County Regiment of Militia is very inconvenient, and that a house and ground which have been offered, and which could be obtained and repaired for the sum of £2,500, have been officially inspected, and appear to be well fitted for the accommodation both of the stores and of the permanent staff, for whom His Excellency considers it very desirable that quarters should be provided in the storehouse. His Excellency, understanding that a proposition for the purchase of the premises referred to will be submitted to the Grand Jury at the present Assizes, strongly recommends it to their favourable consideration.

I am to add that the amount of the lodging money allowed by the War Department for the members of the permanent staff who may be provided with quarters in the proposed storehouse, will be paid by the Secretary of State for War to the County Treasurer, as provided by 23rd & 24th Vic., c. 94, s. 10.

I am, Sir,

Your obedient servant,

THOMAS A. LARCOM.

Resolved—That inasmmch as it has been pronounced to be contrary to law that any road contractor should be paid for any work except that executed in the half-year next preceding the Presentment Sessions at which the demand for payment shall have been proposed, the Grand Jury direct the County Surveyors to govern themselves accordingly; and the Grand Jury further acquaint those officers that any breach of this regulation will be considered equivalent to a misapplication of the public funds.

Resolved—That it is necessary and advisable that the Magistrates at Road Sessions enquire into the solvency of the Contractor as well as the securities, in every case presented, and that the Act of Parliament be carried out strictly, requiring all the parties to be worth severally "twice the amount of the contract." That the Secretary of the Grand Jury communicate this to the several Sessions.

Resolved—That in future the names of Magistrates granting all peremptory orders for the repairs of sudden breaches in roads or bridges should be inserted in the printed list of "Magistrates' Orders," presented to the Grand Jury, with the date of such order for each work so ordered by said Justice.

Ordered—That the County Surveyors serve notice on the several Railway Companies requiring them to repair and keep in repair from the present Assizes the several approaches over their respective railways, as decided in the Court of Queen's Bench on 3rd February, 1863.

Summer Assizes, 1863.

The Grand Jury Secretary having represented to this Grand Jury that very serious inconvenience and interruption to the public business has resulted from the irregular mode and unreasonable hours of lodging Tenders for Public Works in his Office,—ORDERED—That the Grand Jury Secretary is hereby directed not to receive a Tender *under any circumstances* after Six o'Clock, p.m., on the days appointed for receiving them.

ORDERED—That the County Treasurer be authorised to pay the Collectors of County Cess, out of the County monies in his hands, the amount of their poundage, on paying to him the amount of their warrants.

Spring Assizes, 1864.

ORDERED—That the County Surveyors be directed to take proceedings in all cases in which the Contractors have not used due care to execute works within the period of their contract.

RESOLVED—That the Barony Constables be required to pay up the full amount of their Warrants to the County Treasurer, two days previously to each assizes, or in default shall lose the poundage to which they would otherwise be entitled.

Summer Assizes, 1864.

RESOLVED—That it is the opinion of the Grand Jury that Magistrates' Orders should be strictly confined to cases of sudden damage which cannot be remedied in the ordinary course by presentment at Sessions; and further, that the work sanctioned by Magistrates' Orders be in all cases confined to such temporary protection of public traffic as the circumstances of the case may admit, and that the County Surveyors are hereby instructed to take particular care that the works for which Magistrates' Orders are given shall be completed before the Assizes next following the issue of such orders.

ORDERED—That a copy of the foregoing be sent to every Magistrate in the County.

Spring Assizes, 1865.

RESOLVED—That Poole Gabbett, Esq., be and is hereby elected to fill the office of Secretary to the Grand Jury of the County Limerick, in room of the late Edmond Gabbett, Esq., deceased.

ORDERED—That the County Treasurer be authorised to pay the County Gaol Chaplains and the County Coroners the amount of their Presentments when made at each Assizes.

RESOLVED—That the County Surveyors be permitted to use their discretion to postpone payment to Contractors for one half-year, on maintenance works, when they may think it useful to the public so to do. But the County Surveyors can only be permitted to allow this deferred payment when the work shall be satisfactorily performed within the next half-year.

REPORT ON COUNTY SURVEYORS.

The Committee having examined the two County Surveyors, and enquired into the system of management in the two districts, are of opinion, that in consideration of the Salaries of the County Surveyors being increased to £400 per annum, they be only allowed £25 per annum each for a Clerk and Office, and £80 per annum for one Certified Assistant each; this would be a reduction from £1,220 to £1,010, being a reduction of £210 per annum. The Committee also are of opinion that the County Surveyors ought not to withhold a certificate on the report of an Assistant without corroborating it by personal inspection. The Committee are also of opinion that immediately upon fault being found with a contractor, notice should be given to him of the nature of the fault and the remedy to be applied.

Summer Assizes, 1865.

We order and direct the County Surveyors to take charge of Works necessary to be done under 6th & 7th Wm. IV, c. 116, s. 54, and we direct the County Treasurer to advance under 20th & 21st Vic., cap. 15, sec. 2, such sums as may be necessary to pay the workmen employed, not exceeding the amount of the presentment in each case, upon the County Surveyor's certificate of the due execution of the work.

ORDERED—That Mr. Brett's attention be called to the statement made by him before Committees of the Grand Jury relative to his want of confidence in one of his Assistants, and that he be distinctly informed that the Grand Jury hold him exclusively responsible for the efficient discharge of his duties.

REPORT—The Committee consider that the reduction of County Surveyors' Assistants, proposed at the last Grand Jury, is inexpedient, inasmuch as from the manner in which the contracts are framed in this County, (which does not appear to have been brought under the notice of the former Committee) less supervision than is at present given would be detrimental to the proper keeping of the roads; and further, that the amount allowed for a Clerk's salary, considering the nature of his duties, and the expenses entailed upon him, is not excessive.

ROBERT HUNT.
EDWARD W. O'BRIEN.
EDWARD CROKER.
JAMES C. COOPER.
RICHARD EATON.

RESOLVED—That it is expedient to enter into an agreement with the Corporation of the City of Limerick, for providing a joint common Gaol for the County and City of Limerick. That the following five members of the Grand Jury be a Committee of said County Grand Jury to regulate and make such agreement:—

SIR WILLIAM H. BARRINGTON, BART.
HON. JOHN MASSY.
EDWARD W. O'BRIEN, ESQ.
HEFFERNAN CONSIDINE, ESQ.
RIGHT HON. W. MONSELL, M.P.

ORDERED—That the County Treasurer be authorised to pay Samuel Hunt, Esq., Apothecary, and Mary Roche and Joseph Gabbett, retired Matron and Turnkey, of the County Gaol, the amount of their salaries when presented at each Assizes.

ORDERED—That the County Treasurer be authorised to procure from the Limerick Water Works Company a supply of Pipe Water for the use of the Royal County Barracks, at a rate not exceeding Eight Pounds per annum.

ORDERED—That the County Treasurer be authorised to pay the Premium of Insurance on the Royal Barracks out of the sum of £12, available in his hands, being a saving on the sum of £36, presented at Spring, 1865, for Insurance of County Gaol and County Court-house, owing to a reduction of Duty; and further, that the Royal Barracks be included in future presentments for Insurance of County Buildings.

Spring Assizes, 1866.

RESOLVED—That in future in the case of new contracts, when the County Surveyor has reason to complain of Contractors who, from incapacity, are unable to carry out their contracts, upon due notice being given by the County Surveyor, they shall be required to attend before the Grand Jury, who will then proceed to consider whether their contracts be not rescinded.

ORDERED—That the County Treasurer be authorised to pay the Local Inspector and the Medical Attendant of the County Gaol the amount of their Salaries when presented at each Assizes.

The Grand Jury of the County of Limerick beg to express their strong sense of the energy, propriety, and loyalty of the Police Force. The Grand Jury regret that insufficient pay is causing a rapid diminution of so valuable a force, and strongly recommend to the Government a careful consideration of the pay and allowances of the Constabulary.

That Thomas Fosbery, Esq., County Surveyor, Eastern Division, do make a contract for keeping in repair the roofs of the Royal Barracks.

Summer Assizes, 1866.

ORDERED—That the Board of Gaol Superintendence be authorised to pay the expense of Water and Gas supplied to the Royal Barracks.

Summer Assizes, 1867.

RESOLVED—That our Foreman be requested to communicate with the Government on the subject of the proposed Fortification of Police Barracks, and to convey the unanimous opinion of this Grand Jury, that it is impolitic and unjust to require the owners of Police Barracks to incur heavy expenses for public purposes without a just increase of rent and a permanence of contract.

ORDERED—That the County Surveyors be directed to notify to the Proprietors of the Petty Sessions Houses, which are not in a proper state of repair or cleanliness, that presentment of the rent will be withheld at next Assizes if the necessary repairs and cleaning are not properly made within a reasonable time, or not attended to thereafter.

Proposed by Mr. Powel, seconded by Mr. William G. Gubbins,—That the next Special Road Sessions for the Barony of Clanwilliam be appointed to be held at the Petty Sessions House of Castle-Connell.

RESOLVED—That two successive Grand Juries of the County of Limerick have carefully considered the Gaol By-Laws, submitted to them for their opinion and sanction.

That the Grand Jury at the Summer Assizes, 1866, approved the By-Laws, with certain qualifications, on the subject of the separate confinement of untried prisoners.

That the Grand Jury at the Spring Assizes, 1867, having been informed that the said qualified approval was informal, again carefully considered the question, and finally adopted, and inserted in the proposed By-Laws, a clause providing that the separate confinement of untried prisoners should be subject to such relaxation as might be approved by the Board of Superintendence.

That the Grand Jury having been now informed that the said clause has been expunged from the copy of the By-Laws sent down to be printed previously to being submitted to the Law Officers of the Crown, think it their duty to reiterate the opinion recorded by two successive Grand Juries, and to declare their determination not to sanction a code of By-Laws from which the said important principle shall be excluded.

Resolved further—That a copy of this resolution be communicated to the Chief Secretary of the Lord Lieutenant.

Spring Assizes, 1868.

ORDERED—That the next Special Road Sessions, for the Barony of Clanwilliam, be held at the Petty Sessions House, Ballineety.

RESOLVED—That the Adjutant of the County Limerick Regiment be requested to furnish to our Secretary, upon each occasion, a proper account of the Lodging Money before lodging it in Bank to the credit of the Treasurer of the County.

ORDERED—That Sub-Inspector Kelly be appointed to have charge of the County Copies of Imperial Weights and Measures, in room of the late Sub-Inspector Channer.

ORDERED—That the County Surveyors be directed to lay before the Grand Jury at each Spring Assizes in every year, a Schedule of all Monies under the head of Undischarged Queries, which may be represented for the benefit of the County, by reason of the same being surplus monies after the execution of the Works, or of the forfeiture of the contracts, or for any other reason.

GREAT MUNSTER FAIR.

REPORT OF COMMITTEE.

We have fully examined the Account of Income and Expenditure for the Half-year ending 31st December, 1867, and found same correct.

We have considered, in conjunction with Mr. Anglim, the subject of the expenditure, with a view to its reduction, and have found that, consistently with the magnitude of the Fair, it has been reduced to the lowest amount, whilst the raising of the rates has increased the sum arising from the tolls to a considerable degree since Autumn 1866.

WILLIAM JONES,
RICHARD J. GABBETT,
OCTAVIUS KNOX.

Summer Assizes, 1868.

ORDERED—That Croker Barrington, Esq., be appointed Solicitor to the Grand Jury of this County.

RESOLVED—That the Grand Jury are of opinion that where persons become securities for several contractors, their liabilities under preceding contracts shall be duly taken into account in considering their value as securities for new contracts.

ORDERED—That the Special Road Sessions for the Barony of Clanwilliam be held alternately at Ballineety and Castle-Connell; the next Sessions to be held at Ballineety.

Summer Assizes, 1869.

Thomas Fosbery, Esq., County Surveyor, Eastern Division, having appointed Thomas Ryan, Assistant Surveyor, Eastern Division, in room of Michael Spellman, deceased, the Grand Jury sanction his appointment.

RESOLVED—That having taken into consideration the letters of the Rev. Laurence C. P. Fox, and of P. J. Murray, Esq., we hereby agree to grant the sum of Two Shillings and Six-pence capitation for each offender committed to the several Irish Reformatories.

Spring Assizes, 1870.

RESOLVED—That the Rate of Poundage to be paid in all cases for collection of Grand Jury Cess be reduced from Ninepence to Sixpence per pound.

ORDERED—That our County Printers shall provide the Barony Constables with the printed matter needed for collection of County Cess.

The principal creditor insists on £600 a-year being applied as a Sinking Fund. With a view of raising sufficient funds it is proposed to go before Parliament for a third time to obtain sanction to an increase of tolls, expected (perhaps fallaciously) to produce £1,320 a-year, a flourishing condition of our markets being essential to the interests of the County. It appears to us a stop should be put, if possible, to a course of management which has led to such results, and we recommend that a clause be inserted in the proposed Bill whereby the management shall be vested in Twelve Trustees instead of Twenty-seven, in the proportion of Six from Corporation and Chamber of Commerce and Six from the Spring Grand Jury. Should this be accepted by the two bodies mentioned, that we offer no opposition to the Bill, if not, that the Bill be opposed.

We are informed that the result of a successful opposition would be the appointment of a receiver, and the application of the Third to which the Corporation is entitled, (say £1,300), to the purposes of a Sinking Fund.

We further recommend that a permanent Committee be appointed to carry out this suggestion, and to report to the next Grand Jury.

COUNTY SURVEYORS' REPORTS

Summer Assizes, 1871.

REPORT of the County Surveyor of the Eastern Division to the Grand Jury of the County of Limerick, assembled at Summer Assizes, 1871.

GENTLEMEN,

I have the honour to lay before you my usual Half-yearly Report of your works under my charge in this County.

At the last Presentment Sessions, the usual applications for payment were presented, and nearly all allowed; some being allowed conditionally, that certain works should be done before a certain time, stated for each particular case. I have had some of them inspected frequently since, and visited the greater number of them myself—with your permission, I will now disallow some of those, leaving it to myself to allow them again or not at the next November Sessions.

Applications for new works were unusually few last Sessions; and applications for renewals of Maintenance Contracts, were in very few instances made by Cess-Payers, when necessary, and I found it my duty to make the necessary applications myself, so as to provide for the maintenance of your public roads during the next winter; and, although I allowed in every instance, what I considered and found from experience (having the greater number of those roads in my own charge for nearly one year), a sufficient price, hardly any of them had been taken up, and there now remains untaken contracts of Public Roads—22 miles, for which there was no Tenders at the last Sessions; they are distributed over the Baronies as follows:—Clanwilliam, 2591 perches, part of these perches a very public road from Cloughnadromin cross to bounds of the Barony, near Herbertstown; Coonagh, 2,632 perches, part of them the main road from Limerick to Tipperary, between the New-Pallas and the County bounds; Coshma, 638 perches, between the bounds of the Barony at Cahir wall and the bounds near Holy Cross, by Cahir Church; Costlea, 238 perches; Owneybeg, 234 perches; Pubble Brien, 80 perches; Small County, 688—those contracts that I consider it absolutely necessary to be repaired during the winter, I will hand you the proper form, under the 20th & 21st Vict., Cap. 15, sec. 1,—to accept and give them into my charge for the coming 8 months.

I cannot account for this apathy on the part of usual road contractors, it must be the great difficulty in obtaining suitable labourers, and it is only those people with large help of their own, or that have large contracts, and can keep a large staff, that will take contracts in future—it is not from undue severity on my part.

The old bridge at Herbertstown, which was taken down by the Commogue Drainage Board, is now re-building fast, it has been laid on a good sound foundation, and though not laid in cement, as I directed the Contractor, and which I think absolutely necessary in all wet foundations; I think, from the good class of masonry in it, and by having it all thoroughly pointed in cement when the water is very low, it may answer all purposes equally well.

I annex the return of mileage compared with that furnished to you before, together with the cost and rate per £, in each Barony, and also the average rate of the whole on the total Valuation of the Nine Baronies in my charge, which is I consider very low, viz.—$4\frac{5}{8}$d., considering, that you have the great traffic into Limerick, the number of roads running into it, without the benefit of its Valuation.

I have been requested, by Magistrates presiding at Road Sessions, to draw your attention to the tottering state of Croom Court-house, its windows, flooring, ceiling, and roof, are all in a very shaky way, the windows will certainly be blown in this next winter, if not secured.

I have the honour to remain,

Gentlemen,

Yours faithfully,

THOMAS FOSBERY, C.E.,

County Surveyor, E. R., Limerick.

COUNTY SURVEYORS' REPORTS,

Summer Assizes, 1871.

REPORT of the County Surveyor of the Western Division to the Grand Jury of the County of Limerick, assembled at Summer Assizes, 1871.

GENTLEMEN,

I have the honour to lay before you two comparative statements of the lengths of roads, costs of maintenance, and other results deduced therefrom, as affecting the five Baronies of the Western Division of the County, under my charge.

The first one is to show what these estimates were during the half-year ending with Summer Assizes, 1869, and the second, is a similar statement, for the current half-year, ending Summer Assizes, 1871.

The different rates and proportions, resulting from the tabular statements therein calculated, indicate very clearly that there is but little variation between the estimates for the present half-year, and for the half-year previous to my appointment as your County Surveyor.

I may also state, with confidence, that the roads and public works generally, are in quite as good maintenance now as when they first came under my charge; indeed, around Newcastle, the roads are in better order than they were at the before-named period.

This result has been arrived at hitherto, without putting on Stewards to any contract whatever, or without having yet had recourse to the full powers given in the Grand Jury Act for dealing with cases of persistent neglect.

With, but few exceptions, this desirable treatment could be continued, for I am happy to be able to state, that generally, my orders are attended to with alacrity and cheerfulness. This is not the case, however, with the Contractors, for some roads in the neighbourhoods of Barna, Mount Collins, Tour, or Ballycumane, all in the Barony of Glenquin. At Kildimo, Pallaskenry, there are again one or two cases of persistent neglect which will probably have to be met with more stringent measures.

It is with very great regret also that I have to make a formal complaint against the contractor for the new road lately completed at Ballygoghlane, Tarbert, and I claim your consideration in aiding me to pursue an independent course, free from coercion or of danger to my professional reputation, when it becomes necessary to withold a certificate, even should the contractor have been, as in this case, a Justice of the Peace for 40 years.

Mr. T. Beale Browne, J.P., of Salperton Park, Gloucestershire, the contractor in question, has publicly brought a most serious charge against me, in my professional capacity, which he called into question by statements as defamatory as they are untrue, contained in a letter addressed to the Chairman and Magistrates, at the adjourned Road Sessions for the Barony of Shanid, held at Foynes, Wednesday, 31st May, 1871.

On being called upon by my Solicitors for an apology, Mr. Beale Browne deliberately, and after an interval allowed him for reconsideration, coupled his refusal to apologise with threats of ruining me, and other extraordinary statements.

The amount of reason Mr. Beale Browne had to make these unfounded charges, can be gathered from the fact that his road at Ballygoughlane, instead of being stopped at Road Sessions as he states, was conditionally certified by me, the signature of the Chairman and endorsement of the Grand Jury Secretary attached to the certificate in question, clearly testifying to the same.

It is perhaps hardly necessary to urge the importance of aiding your County Surveyors to resist such unfair attacks as the one detailed above, because on the assumption even that I had refused to certify, no justification whatever can be adduced for publicly issuing defamatory and libellous statements, when the law provides the proper remedy in traversing the County Surveyors' decisions.

As to my competency, I beg to refer to the first report I had the honor of laying before you on the occasion of my appointment to this County.

Herewith is tendered the whole correspondence on the above subject, for the perusal of the Grand Jury, coupled with a request, that an application of mine to the Chief Secretary, for the transfer of my appointment to another County, on the first convenient occasion, may be endorsed, for reference to Dublin Castle.

I have the honor to be,

Gentlemen of the Grand Jury,

Your obedient servant,

H. TEMPLE HUMPHREYS,

Mem. Inst, C.E.

7th July, 1871.
