## LIMERICK MARKETS.

We have ascertained that the result of sixteen years management by The Market Trustees is as follows :—

| | | | |
|---|---|---|---|
| Income, ..... | £ 6,000 | | |
| Cost of Collection, ..... | 2,900 | | |
| Balance, ..... | | £3,100 | 0 0 |
| Of which Corporation Share, ..... | | 1,300 | 0 0 |
| | | £1,800 | 0 0 |

DEBT INCURRED :

| | |
|---|---|
| Purchase of Land, ..... | £23,356 |
| Buildings, ..... | 6,765 |
| Law Costs, ..... | 8,013 |
| | £38,114 |

The principal creditor insists on £600 a-year being applied as a Sinking Fund. With a view of raising sufficient funds it is proposed to go before Parliament for the third time to obtain sanction to an increase of tolls, expected (perhaps fallaciously) to produce £1,320 a-year, a flourishing condition of our markets being essential to the interests of the County. It appears to us a stop should be put, if possible, to a course of management which has led to such results, and we recommend that a clause be inserted in the proposed Bill whereby the management shall be vested in Twelve Trustees instead of Twenty-seven, in the proportion of Six from Corporation and Chamber of Commerce and Six from the Spring Grand Jury. Should this be accepted by the two bodies mentioned, that we offer no opposition to the Bill, if not, that the Bill be opposed.

We are informed that the result of a successful opposition would be the appointment of a Receiver, and the application of the Third to which the Corporation is entitled, (say £1,300), to the purposes of a Sinking Fund.

We further recommend that a permanent Committee be appointed to carry out this suggestion, and to report to the next Grand Jury.

## COUNTY LIMERICK GAOL.

We. the Committee appointed by the Grand Jury, to look into the Accounts of the County Limerick Gaol, have carefully examined the same, and found them to be correct.

We recommend that the Presentment of £886 15s., requested by the Board of Superintendence, be granted.

The Industrial Report has been laid before us, and shows a profit of £74 11s., which we consider most satisfactory.

We have visited the Gaol and found everything in good order, which reflects much credit on the Governor and Officers, and that the thanks of the Grand Jury are due to the Board of Superintendence.

## CORONERS.

We have this day examined the Accounts and Vouchers of the Coroners, viz :...Messrs. Murphy, Ambrose, Enright, and Costelloe, and find them to be correct, with the exception of one inquest on Dr. Murphy's list, which, not having a verdict entered, we have deducted from the amount due to him.

## COUNTY INFIRMARY.

We have examined and find this Account correct.

We recommend a grant of Three Hundred Pounds.

We find that this Institution is entirely under the management of the Governors, whose yearly subscriptions amount to £37 16s., while this County has been a subscriber of £800 a-year, and they recommend that each Grand Jury shall nominate five of their number to act as Governors from Assizes to Assizes, with all the privileges of Governors.

We also think that Mr. Mahony, the Honorary Treasurer, is entitled to our warmest thanks for his most valuable and gratuitous services.

Our best thanks are due to Mr. Mahony for his gratuitous and valuable services.

## County of Limerick Gaol Report.

*The Board of Superintendence of the County of Limerick Gaol, appointed under the 7th Geo. IV, cap. 74, sec. 2, submit the following Report to the Grand Jury at Spring Assizes,* 1870.

The Accounts and Vouchers of the Expenditure of the Gaol, Bridewells, Court-houses, Coroners' Expenses at Inquests, the Conveyance of Prisoners, and sundry expenses of the Militia Barracks, for the Half-year ended 31st December last, are now ready for audit.

The Accounts, which were examined and certified at the last Assizes, showed a balance in Bank to the credit of the Board of £474 17s. 1d.

The above balance of £474 17s. 1d., with £1418 10s. presented to the Board at last Spring Assizes, and £225 lodged on account of Sales of prisoners' work and old materials, forfeited pay and fine of prison officers, and subsistence of Naval and Military offenders, make a total sum of £2118 7s. 1d. to be accounted for at this Assizes.

The Expenditure for the half-year, amounting to £1339 10s. 11d. left a sum in Bank to the credit of the Board of £778 16s. 2d. at the balancing of the Accounts.

This balance of £778 16s. 2d. with £875 5s. 0d. presented to the Board at last Assizes, and £24 0s. 1d. in the Governor's hands—Total, £1678 1s. 3d. is available for the expenses of the current half-year.

The Board estimate that the Presentments required at this Assizes are:—

| | | | |
|---|---|---|---|
| Half-a-year's salary to Governor and other Officers, | £436 | 15 | 0 |
| Provisions and other necessary expenses,..... | 450 | 0 | 0 |
| Total,..... | £886 | 15 | 0 |

The Board find the state of the Prison to be as follows:—

For trial at this Assizes—6 males; convicted at Assizes and Quarter Sessions, 19 males, 2 females,; convicted summarily, 13 males, 4 females; naval and military offenders, 17 males; under remand, 1 male; debtors, 1 male—Total. 57 males and 6 females.

Prisoners in custody 19th February, 1868—84 males and 15 females.

" " " 1869—35 " 11 "

" " " 1870...57 " 6 "

The Prison has been very healthy during the half-year, and there has not been any death of a prisoner.

The average cost of prisoners for the half-year has been, 1s. 8·4d. per head per diem, and the average number in custody 70.6.

During the past half-year the daily average number of naval and military prisoners in custody amounted to 20.2. This number consisted nearly altogether of men sentenced by Courts Martial to be discharged with ignominy from Her Majesty's service as incorrigible characters, and of bad characters transferred from the District Military Prison, who were to be discharged under the army reduction at the termination of their sentences: several of these men being mechanics and artizans their labour has been of great advantage to the prison in tailoring, shoemaking, carpentry, bricklaying, and stonecutting work.

Referring to the subject of the unnecessary number of Bridewells in the County, which was brought by the Board before the Grand Jury at the last Spring Assizes, and again by the Committee of the Grand Jury at last Assizes, the Board have to report the closing from the 1st of January ult. by an order in Council, of the Bridewells at Kilfinane, Croom, Glin, and Newcastle West.

John M'Rann, Keeper of Rathkeale Bridewell, having died on the 8th January, the Board appointed Joseph White, Keeper of the Bruff Bridewell, to the vacancy, and Thomas Naylor, late Keeper of Kilfinane Bridewell, to succeed Joseph White, at Bruff.

# COUNTY SURVEYORS' REPORTS,

## Spring Assizes, 1870.

REPORT of the County Surveyor of the Eastern Division to the Grand Jury of the County of Limerick, assembled at Spring Assizes, 1870.

GENTLEMEN,

As usual, it is my duty to report to you the state of the works under my charge, as well as the different works proposed to be executed at the last Road Sessions in November.

The usual Applications for Payment came before the Sessions, and were treated in the same manner as heretofore, but I considered it my duty to disallow payment for rather a large number, in consequence of the contractors not carrying out their contract in the very essential point of having a sufficient quantity of material prepared for the use of their roads, but in almost all cases I gave the contractor a chance of redeeming his money at the May Sessions by his fulfilling his contract in that respect before the 1st January; several of them have done so and several have not, and will be dealt with accordingly at May Sessions.

I have found it necessary to send my own stewards and employ men to do the work on very many more contracts this last half-year than at any previous period. An abstract of the account of this expenditure I have ready for your inspection, also the accounts of works ordered to be executed by me by the last Grand Jury.

No Magistrate having attended at the Adjourned Road Sessions for the Baronies of Pubble Brien, Coshma, Costlea, or Small County, or for the Presentment Sessions of North Liberty, it will be necessary for you to appoint a committee of your body to open the Tenders for those Baronial Works, and allow the Applications for Payment in the Barony of North Liberty.

The new works applied for in the several Baronies are of a very trifling nature, with the exception of one in the Barony of Costlea, to complete a new line of road. The sum applied for, viz., £1002, not being at all sufficient, the most expensive and difficult parts of the work having been left untouched by the relief works, viz., the building of four rather large bridges, one smaller one, and breast walls to the river in two or three places, where, though the stone is convenient and handy to work, the walls being long and rather high, would add considerably to the cost of completing this road, which, if

completed, would enable a large number of rate-payers in the townland of Cullaune South to get to Kilfinane and Charleville by a much shorter route than at present, and I understand they are most anxious to have the work done; still, I think the road they use at present, if widened and improved and continued by an improved direction, would be more useful to them, and could be done at a less cost.

I made an attempt to introduce a cheap style of making foot-paths, when applied for in my district, than that heretofore adopted; I regret to say it failed, though extensively carried out in Meath, and Carlow, and other Counties, even at a less cost than I allowed for them here.

The only extensive works of any kind in the district unfinished is a new line of road in the Barony of Costlea, which was presented at Spring, 1868. At the last Assizes I was almost certain this work would have been finished before now, I regret to say it is not; the heaviest part of it is however complete, viz., the bridge over the Inchacomb stream, and having been subjected to some very heavy floods immediately after being finished, it has satisfied me that it is quite large enough and well executed. The rest of the work to complete this road is of a trifling nature, and I see no excuse for the contractor not finishing it immediately, so to open it after the May Sessions.

I think your roads in general have been maintained in a fair state of repair, with few exceptions, which I have done my best to obviate under the 54th section.

I have the honor to remain,

Your obedient servant,

THOMAS FOSBERY.

# COUNTY SURVEYORS' REPORTS,

## SPRING ASSIZES, 1870.

REPORT of the County Surveyor of the Western Division to the Grand Jury of the County of Limerick, asembled at Spring Assizes, 1870.

GENTLEMEN,

The Applications for Presentments for Special Works are of the usual character, but more numerous than on previous occasions; the following applications appear on the Schedule:—

BARONY OF UPPER CONNELLOE.—No. 2—To repair a breach in a retaining wall at Ballynockane; is necessary. No. 3—To build a gullet at Rossbane; will be useful.

BARONY OF GLENQUIN.—No. 2—To complete 414 perches of road, Meenahila to Glengurt; the road was partly made under the Relief Acts; it will be of local utility, and of advantage to facilitate reclamation of a considerable extent of mountain land. No. 5—To build a bridge over the river Glashawee at Knocktoosh; is much required, the application will have to be renewed at next Sessions, to come before you finally at next Assizes, one-half of the expense is chargeable to the County of Cork. No. 7—To build a gullet at Cragg; will be useful. No. 8—To rebuild a bridge at Crataloe; is necessary—Application No. 8, Barony of Shanid, refers to the same work, the expense is divided between the Baronies as the bridge is to be built over the boundary stream, the greater part is charged to Glenquin in consideration of greater advantage than to Shanid. No. 10—To flag a foot-path in Newcastle West; will be a useful improvement, it is to be on the east side of Bridge-street, which has been greatly improved recently by private outlay in widening the street, and building new houses of a superior class.

BARONY OF LOWER CONNELLOE.—No. 3—To rebuild breaches in a retaining wall, Mussell-lane, Askeaton, and No. 5—To rebuild a gullet at Mount Brown; will be useful.

BARONY OF SHANID.—No. 3—To make 344 perches of new road near Athea; the application will have to be renewed at next Sessions and Assizes; the proposed road is greatly needed to accommodate the farms through which it is to pass. No. 4—To repair a guard wall near Athea bridge; is required: the intention is to build a parapet at side of road where protection of this kind is needed. No. 6—To repair a

sod fence at Knocknaboula; this application appears to me unnecessary. No. 8—To rebuild a bridge at Crataloe; same work as No. 8, Barony of Glenquin. No. 9—To make and repair a foot-path near Foynes; will be useful, the footpath is to be in two parts extensions of a foot-path recently repaired; half the expense is chargeable to the County at Large, as the proposed foot-path is to be on the mail-car road from Limerick to Tarbert. No. 10—To make 57 perches of foot-path at Ardagh; is much required.

BARONY OF KENRY.—No. 2—To complete 352 perches of road, Ballysteen to Beagh Quay; will be very useful, the road was partly made under the Relief Acts. No. 4—To repair Tuogh bridge; is required, parts of the structure are dilapidated and loose.

Applications for renewing presentments for maintenance of roads were allowed on 100-6 miles which have been set to Contractors, and there will be provision for repairing 787-4 miles until next Assizes, at an expense (nearly) of £4,558 5s. 0d., being £5 15s. 9d. per mile, or 4½d. per perch, and a little under 6½d. per £ of the gross valuation of the Western Baronies.

Apptications for payment were allowed wherever certified, a few having been allowed conditionally upon my recommendation through my colleague Mr. Fosbery, who was good enough to act for me at each Sessions except Kenry; I believe it will not be necessary to ask you to disallow payment in many cases.

In consequence of an order of the Grand Jury at last Assizes respiting payment of rents of Petty Sessions Houses, some repairs and partial improvements have been effected in the Sessions Houses at Bruree, Ballingarry, and Abbeyfeale, and I have certified that the owners are entitled to be paid. The Board of Superintendence authorised some repairs and painting in the Sessions House and Bridewell at Rathkeale, and they accepted a contract for executing the works which are in progress.

His Excellency the Lord Lieutenant has appointed me to the County Surveyorship of another County, but before taking leave of the Grand Jury and Gentlemen of the County of Limerick, with whom I have had the honour of being connected officially since 1863, I beg leave respectfully to express my grateful thanks for the uniform considerate kindness and assistance which I have received, and for which I must remain always grateful.

I have the honour to be,

Gentlemen,

Your obedient servant,

JOHN H. BRETT.
