**PERMANENT DOUBLE WITH
STOMACH PAINS**

**But Rennie's Put an End
to His Troubles**

He tried powders, treatment and medicine. All to no purpose—the stomach pains still returned. Then he tried Rennie's tablets. To-day he is eating all before him. This is what he writes:—

"I have suffered with duodenal ulcers for ten years, and at times I bent double with pain. I have tried various kinds of powder, treatment and diet, but all to no purpose. I bought a packet of Rennie's tablets a few weeks ago, and the next day I had cold roast beef and pickles. I was not supposed to eat anything of that, as it starts stomach pains straight away, but I took four Rennie's tablets with the meal and felt nothing. I am now eating what I like, and enjoying it, thanks to Rennie's. You tell the world that Rennie's are winners over stomach trouble."

R. W. THOMPSON & SONS,
Digestive Rennie's work in three ways. They contain antacids which neutralise acidity, absorbents which absorb stomach gas, and digestive agents which actively aid digestion.

Chemists sell Rennie's: 7d. and 1/6 per packet.
