

d with deep regret throughout the year. The outbreak is particularly un-ate at the present moment, no matter the infection emanated from. The late blow to the Irish trade is little of a disaster, as it will have a very se effect on our exports, probably for time to come. However, the Depart- has lost no time in isolating the affected and as a further preventive measure e ports were closed to the shipment of tock yesterday. Ireland has been many absolutely immune from the disease. e last outbreak occurred in County low in January 1921, when 142 cattle slaughtered, and the restrictions not drawn until the end of March of the year.

A LIMERICK SHOPPING WEEK?

Limerick Industrial Association, Rev. Dr. Cowper, C.C., presiding, has decided to invite those interested in the commercial development of the city to attend a special meeting to be held in the Council Chamber at 7.30 next Thursday evening, with a view to organising a Shopping Week in Limerick. As stated on more than one occasion, the Week has proved a great success in other Irish centres, and there is no reason why it should not prove equally so in Limerick.

FATAL BURNS.
