

being in the... of the ship. This is evidently a very imical and commercial discovery.

It has been read to the Royal Society of Edinburgh woman of Dunniald, near Montrose, nes Brewster. Her first sleeping fit lasted to the 30th of June, 1815. Next morning to a sleep, which lasted seven days—without or evacuation. At the end of this time by 1, and pointing to her mouth, it was undered food, which was given to her; but she lethargic state till the 8th of August—six without appearing to be awake, except on the Her pulse, for the first two weeks, was hird week 60; and previous to recovery it 2. Though extremely reduced, she gained lly, that before the end of August she worked harvest.

or fixing the rates of subsistence to be paid to others, in England, on quartering soldiers. 1st of May last, the sum of ten pence per day every non-commissioned officer and private all be furnished with diet and small beer, and ten pence per day for hay and straw, for e diet and small beer to consist of a hot din- d,) not to exceed 1½lb. of meat previous to lb. of bread, 1lb. of potatoes, or other vege- to being cooked, and two pints of small beer, nd pepper. And in case certain articles are eu of diet and small beer, at the option of the acted in the Mutiny Act, the sum of one half- is to be paid by every non-commissioned ier, in consideration thereof.

ses have been withdrawn from the West- Bill, and if the inhabitants persevere, they will orning paper says, the new Sewer is not large thirds and that it is more calculated to drain the public than to drain the town.

med ruffians assembled on a farm, possessed Kelly, on the estate of the Earl of Kilkenny, on Sunday morning last, and burned his es, and farm stock. One account that the he villains also houghed his cattle, but this nation Kelly had been warned by the gang o, but he deemed himself secure, as the former de a voluntary surrender of the land.—Kil- ator.

an inquest was held at Thomastown, by lds, Esq. Coroner, on the body of Philip d hung himself on the preceding night. It the deceased was a pensioner, who had been ded, and left for dead in Portugal; that he very to the kindness of a Portuguese woman, wards married, and who (now a poor helpless range land!) bears an excellent character; that he missed a 30s. note, which affected him he attempted to cut his throat with a razor, but by his wife; that he subsequently attempted ct with a pair of scissors, the accomplishment also succeeded in preventing; that he then himself up to a rafter, upon which the poor n ran out for assistance which, as it was past did not immediately procure, and when she, her neighbours were so dilatory, through ng him down, and probably also ignorant of ed for restoring suspended animation, that was effected. Verdict—*lunacy*. dinary race, for the distance of 100 miles, be- road-horse, and a reputed trotting mare, took ednesday se'nnight; they started about three morning, from the Great Tree at Elstow, near arrived at Peacock Inn, at Islington, in three e quarters!!! 50 miles!!! They returned bout 23 miles from Bedford, where the horse e mare was unable to proceed further than en miles from Bedford; we understand she is —*London Pa. er.*

FITS.—The following valuable receipt is given at the request of a lady of high respectability, f derived the greatest benefit from the use of it, en afflicted with the disorder for upwards of t; and to state the very many instances of en- simple medicine has effected, is impossible— ke three quarters of a pound of garlick, sliced it into three pints of water, let it stand in a heated ours, till reduced to one pint, then put it into ain and squeeze it very well, and take a large of it immediately before breakfast, and after e and after dinner, tea, and at all times before g. To be continued six months, or more, if often repeated. When the patient is becom- tea spoonful of it should be taken instantly.
