## Why put up with an Aching Back

MANY a nagging, painful backache is due to harmful wastes and impurities which the kidneys have failed to filter from the blood. So often, is scanty or too frequent urine. You may feel generally played out and run down, joints or muscles stiff, pain-

Jean Brookers, Elaine Shepard and Amelita Ward head the cast. Set in the gold rush days of the late 70's, the support, "The Fargo Kid," is a thrilling Western, with Tim Holt, Ray Whitley, Emmett Lynn and Jane Drummond.

**THE GRAND CENTRAL**—For Monday next the management have secured Metro's "Ziegfeld Girl," an all-star musical boasting such favourites as James Stewart, Judy Garland, Lana Turner, Hedy Lamarr and Jackie Cooper. This is the story of a group of girls and their fight to attain stardom as Ziegfeld Girls. On Thursday the programme changes to "Edison, The Man." Sencer Tracy gives a really compelling performance in this picture as Thomas A. Edison. The story is basically a young man's story, since Edison began his inventive career at the age of 22. The picture carries him through his courtship, his home life and his struggles for achievement, culminating in his creation of the gramophone at the age of 30 and the incandescent light at the early age of 32. The cast includes Rita Johnson, Lynne Overman, Charles Coburn, Gene Lockhart, Henry Travers and Felix Bressart.

**THE THOMOND**—Milton Berle and Mary Beth Hughes are the stars of "Over My Dead Body," an amusing comedy thriller which opens at the Thomond on Monday next. The support, "Quiet Please, Murder," is a thriller starring suave George Sanders with Gail Patrick, Richard Denning and Lynne Roberts. On Wednesday the programme changes to one of the greatest pictures of all time—"Tales of Manhattan," a film with five short stories linked together through the adventures of a tail coat. The huge cast of stars includes Charles Boyer, Rita Hayworth, Edward G. Robinson, Charles Laughton, Ginger Rogers, Henry Fonda, Paul Robeson, Cesar Romero and Thomas Mitchell. Lloyd Nolan and Marjorie Weaver come on Friday in "The Man Who wouldn't Die," an unusual mystery thriller. The support, "The Night Before," is a marital comedy featuring Lynn Bari, Mary Beth Hughes, Joseph Allen, Jr., and Nils Asther.

## FOUND THE PERFECT REMEDY AT LAST

### After Years of Suffering with Indigestion

Confined to bed with heart trouble, this ex-soldier was also liable to severe attacks of indigestion. It was not until early 1940 that he found the "perfect" remedy for this complaint. This is what he says about it:—

"I am a bed-ridden ex-serviceman of the last war, suffering from heart trouble as a result of active service. I have also for many years been liable to severe attacks of indigestion. Before taking to my bed in 1939, I had, during the years, tested pretty well every digestive remedy on the market. Early in 1940 I tried Digestif Rennie tablets and found the perfect remedy at last. Rennies are a real friend in need, especially as my doctor warned me that in my condition
