TO THE ELECTORS
 OF THE
Abbey and Castle Ward.

LADIES AND GENTLEMEN,—

Three years ago you honoured me by
 election to the Borough Council. I now ask you
 to place the same confidence in me by electing me
 once more.

During my term of office I have always en-
 deavoured to discharge my duties fearlessly and
 honourably, and my vote has always been cast in
 favour of the masses, rather than in the interest
 of individuals. I have always been a disinterested
 representative, and claim my share in the many
 improvements effected during the lifetime of the
 Council now about to be dissolved.

There is no area requiring more attention than
 the Abbey and Castle Ward. In that district
 there are more derelict and uninhabitable dwell-
 ings than in any other Ward in the City. This
 electoral area should be the beauty spot of
 Limerick, and can be made so by a clearance of
 all unsightly buildings, and erecting in their place
 houses which the workers can afford to pay for.

As Vice-President of the old Town Tenants'
 League, I have always fought for the tenants,
 and in hundreds of cases succeeded in obtaining
 substantial reductions of rent, and kept many in
 their homes who otherwise would have been
 evicted.

Should my appeal to you meet with favour and
 success, my time and service are always at your
 command.

Owing to circumstances over which I have no
 control this Address was delayed, and I hope it
 will be taken as a personal call.

PATRICK MOORE.
