

## LIMAX NEAR

Forristal, U.S.A. Navy said in a broadcast yesterday the tempo of the war is at its climax. According to the general we can pour on the effort of this nation with more energy and without delay the date of victory will be advanced."

## AVIATION IN U.S.A.

It is estimated that the number of aircraft in the U.S.A. will increase during the war, bringing the total to approximately 6,000. The plan is that by 1950 there will be one million civil planes in use.

## LATE ELECTION

The counting of votes in the general election will begin to-morrow. It is expected that full results will be available on Wednesday.

## NO A PICTURE

It is reported that Edward G. Robinson, the American film star, was offered as much as £40,000 a picture for his services.

## Double Turn

Two age-frocks, or a blouse and frock, together and make a dress.

Best parts of one frock (or blouse) will make the bodice—skirt, cuffs and collar made from the other frock. If the skirt is made over the dress you are making—over the blouse, you might take these parts to make your new frock with a blouse, which is so very 1944.

Because of conditions beyond our control, we have had to withdraw from the market for the time being. In the meantime, take care when washing fine fabrics that they do not become soiled. Rinse well, or undetergent soap may stick to fibres.
