they would have an opportunity of visual- ising the potentialities of Ireland's future. He was very pleased to extend them a cordial welcome, and hoped they would carry away with them vivid and pleasant impressions of Limerick—impressions that would prompt them to return in the near future. (Hear, hear).

The party then visited the Treaty Stone, St Mary's Cathedral, and other places of historical association in the city. At one o'clock they had lunch at the Royal George Hotel and the Railway Hotel, at which the Mayor, Town Clerk, and other representative citizens were present. They subsequently drove out to the Shannon power scheme by bus, and made the tour of the works from Ardnacrusha to O'Brien's Bridge. The visitors continued the journey to Killaloe and on by Lough Derg to Portroe, where they had a magnificent view of the Lough. They evinced great interest in the Shannon scheme, and were particularly delighted with the magnificent scenery of Lough Derg. In the evening they return to Foynes by special train and will board the "Avon," which leaves on the night tide for Glengarriff.

DEATH OF MR STAN FLYNN.

We regret extremely to announce the unexpected demise, after a brief illness, which took place this morning, of Mr Stanislaus G. Flynn, proprietor of Cruise's Hotel. He was the third son of the late Mr James Flynn, a respected citizen, and who at one time was High Sheriff of Limerick. He was quite a young man, active and zealous in his business pursuits, while his affable and generous disposition won for him the highest esteem of hosts of friends. He was a keen sportsman, a member of the Garryowen Football Club, the Limerick Coursing Club, and an Irish Cup nominator. He was also a Director of Limerick Race Co. The cutting short of a bright and promising career is deeply mourned in the city, and widespread sympathy is expressed with the deceased gentleman's mother and the other members of the family in their hour of trial.

The funeral arrangements appear in obituary notice.
