HAVING seen an Advertisement in "The General Advertiser: or, Limerick Gazette" of Tuesday, signed by Mr. JACKSON—I sent a Friend to Mr. JACKSON for an explanation of that part of his statement, where "an apology to each other" was mentioned.—Mr. JACKSON having amply satisfied me and my Friend, and that in the handsomest manner, the public can now easily see, whether a mutual apology took place.

A CAUTION TO CHARTER JUSTICES.

THE following Act of Parliament, passed in the 3d of GEORGE 2d, will be found in the 5th Volume of the Statutes, Chapter 16, and Page 415:

An Act for the better regulating the fees of the peace, and for disabling Thomas Wilkinson, and Alderman Bolton from acting as justices of the peace within this kingdom.

Whereas the fees, usually taken by several persons executing the office of justice of the peace in this kingdom, are too large, and thereby complaints are greatly multiplied by vexatious persons, in order to load and oppress the party accused with expence: be it therefore enacted by the King's most excellent Majesty, by and with the advice & consent of the lords spiritual and temporal and commons in this present Parliament assembled, and by the authority of the same, That no person acting as a justice of the peace within any county, county of a city or town, or any liberty or franchise, within this kingdom (other than the justices of his Majesty's court of King's bench) shall for or in the execution of his said office demand, have, take, or receive any other than the fees following (that is to say) the sum of sixpence, for each warrant, and for every recognizance the sum of one shilling, & that no fee, recompence, or reward shall for the future be had, taken or received by any such justice of the peace for any warrant, recognizance, mittimus, discharge, or any other act to be done by such justice of the peace in the execution of his said office, other than aforesaid.

II Provided always, that nothing herein contained shall be construed to enable any Justice of the peace to take any fee or fees in any case of felony or treason.

III. And whereas persons pretending to be or acting as Clerks under such Justices of the Peace frequently exact fees on pretence of their trouble in writing warrants, recognizances, mittimus's, and discharges, and upon other pretences: be it enacted by the authority aforesaid, That where any such person or clerk shall presume to take or receive any fee, recompence, or reward, for or on account of his trouble, or any other pretence whatsoever, in respect of his acting as clerk as aforesaid, such person, for every such offence shall forfeit the sum of forty shillings to the party, who shall first give information in writing of any such offence before any justice of the peace or chief magistrate, of any city, town, or borough; to be recovered by civil bill in the same manner, that small debts, in a summary way are recoverable, provided such information be made within a month after the offence committed.

IV. And whereas Alderman Thomas Wilkinson and Alderman Thomas Bolton, two of the justices of the peace for the city of Duclm, have been guilty of several oppressions in exacting exorbitant fees in the execution of their office contrary to their duty, and the trusts reposed in them by the several charters of the said city; and the said alderman Thomas Wilkinson hath acted corruptly in receiving money for the discharge of criminals in violation of his oath, and in open contempt of the known laws of this kingdom: be it therefore enacted by the authority aforesaid, That they the said Thomas Wilkinson and Thomas Bolton be for ever hereafter disabled and rendered incapable of acting as justices of the peace in or for the said city of Dublin, or elsewhere within this kingdom; any thing in the charters of the said city of Dublin, or any of them, to the contrary in any wise notwithstanding.

V. And be it further enacted by the authority aforesaid That this act be read yearly in open court at every general Easter quarter sessions by the clerk of the peace or his deputy; and in case such clerk or deputy shall neglect to read the same at such quarter-sessions, he shall forfeit for such offence the sum of forty shillings, to be recovered by civil bill by any person who shall first sue for the same at the next assizes to be held for the county, where such quarter-sessions are held.

The following Act passed, in the First of GEORGE 3d. will be also found in the 7th Volume of the Statutes, Chapter 2 and Page 845:

An Act to prevent Abuses committed by Justices of Peace, acting under the Charters of Cities and Towns Corporate.

Whereas it frequently happens, that great abuses are committed by justices of peace acting under the charters of cities and towns corporate, and notwithstanding such abuses it may be a doubt, whether such justices of the peace so offending are or may be removable from their offices, or the execution thereof, by any law now in being: for remedy whereof, be it enacted by the King's most excellent Majesty by and with the advice and consent of the lords spiritual and temporal and commons of this present parliament assembled, and by the authority
