LIMERICK,—OCTOBER 17.

We are sorry to find that there have been al-  
ready attempts to forge Mr. Gabbett's Silver

Paper, Plate, and Writing, that with very little  
attention the cheat may be discovered. We cau-  
on the public against receiving such; the for-  
ed notes which have already appeared, had a  
piece torn off the corner, as if the Stamp was  
here..

A CHARITY SERMON,

aid of the Protestant Female Orphan School,  
to be preached in St. George's Church, by the  
Rev. WILLIAM MILLER,

to-morrow, Sunday, the 18th Instant.

In this School Twelve Children are lodged,  
shed, maintained, and educated in the princi-  
of the Protestant Religion.—It being the  
Institution of this kind hitherto established  
this wealthy and prosperous City, the Govern-  
have every hope that it may meet that en-  
agement, which, upon enquiry, they trust it  
be found to deserve. If to be a father to  
fatherless, to cloth the naked, and to feed the  
herry, be Christian duties, this Institution offers  
the public the safest, the most economical  
ode of fulfilling these important duties. One  
guinea annually will entitle a person to be a Go-  
por. Three Children have been already  
and out from this School, and their conduct  
met with the warmest approbation of the  
arnors; there are now two vacancies, but  
the low state of the Funds, the Governors  
thought it adviseable not to fill up those  
acies until the event of ensuing Collection is  
trained.—Donations from such as cannot at-  
at the Church, will be thankfully received  
the Mayor, Messrs. Thomas and Robert  
sfall, Lanr. Hill, Esq; by the Printers here-  
by the Rev. Wm. D. Hoare, Treasurer.
