## FREEDOM AND NATIONAL DISCIPLINE

... Replying to an interrupter at a ... Fianna Fail election meeting at ... Caherciveen yesterday, Mr. de ... Valera said:—“We have secured ... independence for 26 counties. The ... Irish people are in command and ... the Irish people will keep discipline ... through the Government in this ... part of the country and elsewhere. ... The election last held was the ... freest possible and was said by our ... opponents to be the freest that ... could be held in any country. A ... people's Government is in office and ... in the name of the people we will ... keep discipline here. That is what ... I have got to say. No group, no ... matter what they represent, will be ... allowed to interfere with the rights ... of the people by force. We have ... won by our own policy, by our own ... persistence, freedom in a world at ... war. You are able to keep out of ... that war and are as free as any ... nation on the earth and you have ... got to be worthy of that freedom.”
