ROSCREA UNION.

AT A MEETING of the GUARDIANS of the Poor of the above Union, held on Friday, the 8th of November, Instant, the annexed Resolutions were unanimously adopted, the following 20 Members being present at the Board:— COLONEL LLOYD, Chairman. Nineteen others, viz.—Captain Butler, Henry White, Henry Scroope, Frederick Lidwell, J. S. Birch, J. S. Smith, Timothy Maher, John Conroy, John Evans, Thomas Davis, A. P. Doonin, James F. Rolleston, Wm. M. Smith, Stephen Maher, Daniel Ryan, J. O'Meara, Richard Maher, Edmond Byrne, and Thos. Hendrick. Proposed by J. F. Rolleston, and seconded by Edmund Byrne. Resolved—"That our attention having been directed to an Article in the Limerick Reporter of the 25th ult. headed "Strange doings in the Roscrea Workhouse," from a Roscrea correspondent, dated 22nd October, 1844, commenting on the proceedings of the Board—we cannot allow such a tissue of gross calumny and barefaced falsehood to pass without notice. We therefore, cannot but express our surprise that any Journalist, possessing a shred of character, or a particle of respectability, could be induced to give insertion to a communication so foul and libellous, and to follow up the same with an Editorial Article equally slanderous and coarse." "It is further Resolved that the thanks of this Board are due and hereby given to our Clerk, for his manly and triumphant refutation of the slanders contained in these articles. Passed unanimously." Proposed by J. O'Meara, and seconded by J. S. Smith, "That in consequence of the Resolution just passed relative to the Limerick Reporter, we propose that our Clerk be directed to apply to the Proprietor of that paper, requiring him to give up his author of that article, as some reparation for the publication of such a filthy libel. Passed unanimously." Resolved—"That the foregoing Resolutions be published in the Tipperary Vindicator, the LIMERICK CHRONICLE, and Limerick Express." By order of the Board, EDWARD WALL, Clerk of the Union. November 13.

IRISH Great Western Railway

From Dublin to Mullingar, with Branches to Athlone and Longford. In consequence of statements having been made by parties connected with another project, styling itself the "Irish Great Western Railway," that the Dublin and Cashel Company are connected therewith, and will give it their support. A communication has been made to that Board, and the Committee are authorized to state, That the Cashel Company has no connection with any parties projecting a Railway to Athlone and Longford, and have refused to pledge themselves to the support or encouragement of any particular Line. (By Order), JAMES MALLEY, Secretary. 48, Upper Sackville-street, Dublin, 11th Nov. IRISH GREAT WESTERN RAILWAY FROM DUBLIN TO MULLINGAR, WITH BRANCHES TO ATHLONE AND LONGFORD. At a Meeting of the Provisional Committee, held on SATURDAY, a letter was read from Lord Eliot, stating "That his Excellency the Lord Lieutenant having received the Report of the Commissioners of Public Works, now desires me to inform you that he is prepared to consent to the proposed transfer of the Royal Canal, from the Royal Canal Company to the Irish Western Railway Company." The Committee have great satisfaction in announcing the above information to their Shareholders. By Order of the Provisional Committee, JAMES MALLEY, Secretary. 48, Upper Sackville-street, 9th Nov. 1844.

They differed from him in other matters. He left the country without reply as he could not with truth say they had mistaken his meaning; and I now call upon Mr. Wilson to prove the truth of this, his most notorious calumny. He calls the remonstrance they sent their late Curate an "unbecoming letter." I deny it flatly—I challenge him to prove his words, in the only way they can be proved, by making that "unbecoming letter," and the names to it public. So much for the "spontaneous address." I have no wish to speak of our late Curate. I was obliged to do so at some length in reply to a letter addressed to me by the Rev. Thomas Croker, which, I repeat, he is at liberty to publish if he pleases. I have now stated FACTS—let any man disprove them if he can. I told you before that Mr. Wilson should not draw me into personalities, or paper war. He must not be surprised if I do not notice his letters again. I am, Sir, your obedient servant, JOHN CHRISTY. Fort-Union, Nov. 11.
