

O'Mara's Hope To Be Tops In Toyota Sales

O'Mara Motors on the Ennis Road in Limerick city hope to become firmly established as the top Toyota dealer in the country for 1989 and sales at present, particularly of Carina and Corolla models are already well above the national average.

At present fleet customers represent 50% of their client pool, an indication of the confidence which the company has established in the region. On the heels of this success, O'Mara Motors are re-establishing their van and car rental operation which they dropped some years ago and Kevin O'Connell, who has vast experience in this area heads the team with more than 150 cars of all makes at his disposal.

Commercial users, in particular will welcome this new rental service which can be contacted at a separate number, 088-561533.

O'Mara Motors are already the largest Toyota dealership in Limerick and chairman Tony O'Mara has

more than 30 years in the trade behind him. He took on the Toyota franchise in 1973 and has now one of the largest showrooms in the country with 5000 sq.ft. devoted to the display of the models.

Situated on the busy Ennis Road, O'Mara Motors under managing director Noel Daly also offer a selection of used cars which are carefully chosen to ensure lasting quality.

O'Maras offer a full crash repair service for both commercials and cars and a well stocked parts department is another feature of the garage.

The sales team is headed by Adrian Hopkins assisted by Mike Murphy, Graham O'Mara and Joe Eames are on hand day and night to deal with queries about the Toyota range while Pat Keogh is service manager and Joe O'Regan is their awards winning parts manager.

In conclusion a top class all round service and good after sales are the features of O'Mara Motors, Ennis Road, Limerick. Tel. 061-51611.
