DEATH OF MR FRANK HARTIGAN, CASTLECONNELL.

The deepest regret was evoked in the neigh-
bourhood of Castleconnell by the announcement
of the death of Mr Frank Hartigan, junr; which
took place at Mafeking, South Africa, on the 21st
of May. The deceased young gentleman left
home three months ago to take up an important
position at Buluwayo, but immediately on his
arrival fell a victim to malarial fever, and the
widespread feeling of regret which is felt at his
death is intensified by the sad circumstances
under which it occurred. The deceased possessed
many qualities which endeared him to his asso-
ciates in and around Castleconnell. He took an
active interest in the promotion of different
branches of athletics, and his excellent
traits of character made for him numerous
friends. The utmost sympathy is everywhere
expressed for his parents and relatives in their
great bereavement.

FATAL ACCIDENT TO A WATERFORD LADY.

On Thursday evening an accident which,
unhappily, proved fatal, occurred to Mrs Ellen
Curtiss, wife of Mr Joseph K Curtiss, a respected
citizen of Waterford. The deceased lady was
proceeding to the Presentation Convent, which
she desired to visit, on an outside car, driven by
James Power, which accidentally upset, with
the result that Mrs Curtiss was thrown heavily
to the ground. She was attended by Dr J White,
but notwithstanding medical aid, she succumbed
yesterday.
