velling speeds. The well-known Ford
hydraulic brakes are again standard on
the 134" and 158" wheel-base trucks.

The most important improvement,
however, has been a considerable reduc-
tion in the unloaded weight of the ve-
hic.e. This improvement gives more
miles per gallon and also allows a bigger
margin for fitting special bodies without
exceedin gtaxation weights.

COUNTY VOCATIONAL EDUCATION

Mr. J. Quaid, Co.C., presided at a meet-
ing of the County Limerick Vocational
Education Committee.

The Department wrote approving the
conditions governing the appointment of
Mr. D. Horgan as headmaster of Kilfin-
ane School.

A further letter from the Department,
approved of the promotion of Miss M.
O'Brien as permanent wholtime teacher
of commercial subjects.

Correspondence was read from the De-
partment of Education and the E.S.B.
relative to the formation of a scheme
for training electricity apprentices in the
employment of the Board.

The C.E.O. said of the 66 apprentices
appointed under the scheme, two were
from County Limrick. Under the scheme
the Committee would be required to pay
a contribution of £10 per apprentice.

The Committee approved of the
scheme.

DEATH OF MR. T. MITCHELL.

The death occurred on Friday morning
of Mr. Thomas Mitchell, 2 St. Mary's
Place. Deceased, who was in poor health
for some time past, was a much-respected
resident of St. Mary's Parish, and his
death is sincerely regretted. He leaves a
wife and daughter, to whom great sym-
pathy is extended.
