

# CARLTON

STAR-STUDED double-feature programme like "RIO CONCHOS" and "HERE COME THE MACHINES," will be the attraction for the beginning of the week.

On Thursday the programme changes will include "WITCH-CRAFT" and "DECISION BEFORE DAWN" two big films from the 20th Century-Fox Studios.

## CITY THEATRE

CITY Theatre Manager, Jack Bourke, makes a personal visit each week to tell me about his forthcoming attractions.

He takes a showman's pride in his selections, and next week's offerings are well up to the very high standard which he has set himself.

Naturally, there will be trailers of the future attractions as well as the release edition of the Fox Movietone Newsreel—the only showing of this news in Limerick.
