

Sunday night's big attraction to the Parkway is Jill Dale.

Sorry to see Mike Frazer leave the Jimmi Skinner group.

# Hit me on the head, says D.J.

"HIT ME on the head" says D.J. Curtin of the Kerry Blues. However, he doesn't mean it really. It's only the title of his new

D.J.'s is the best voice he has yet played with in the studios. The Kerry Blues have just returned from a tour of England which included some club dates in the north of the country. Needless to say, it was a great success and they are more in demand over there

"SO  
A SPECIAL word of commendation goes to Collins showband for the special place they gave in the Paris night last—especially Aus

EVERY TIME I listen to them I feel more and more like following in their footsteps.

I'M SURE there will be a special place for Monday night's cabaret. Tommy Drennan and his band are singing along with a number of

## Recent releases from Pye...

RECENT releases from Pye include:

- The Simple Image CNS 4013  
The Simple Image are an Australian group who topped the charts down under with this simple and catchy song. Carnaby executive, Cyril Smith, brought the record to London and it's likely that Simple Image will contemplate a trip to Europe later in the year.
- Sweet Plum MDS 105  
Sandra McKenz the Scottish girl now known as Sweet Plum, was signed to the Middle Earth label last year and cut one single. Now she's releasing this new song specially written for
