Meet the OUTFIT

● One of the surprise successes at the recent rally at Carnsore Point was the appearance of a Limerick group called OUTFIT. Originally scheduled for a thirty-minute appearance, they were called back later for a further session which lasted two hours.

● The members of Outfit include Dermot Moloney, Brendan Wallace, Ger Costello and Brian Healy.

● Their manager, Bernard Angley, says that they were given an amazing ovation. Later this year they will go on tour with the well-known Moving House group.

Caherconlish

● This Saturday, the management of The Big Tree in Caherconlish will have yet another top line attraction with STOUT—a group whose performances have received a great deal of praise in recent weeks.
