THE OUTFIT

**Brendan Gr
for Limeri**

● Limerick band, The Outfit, play a late-night gig at The Belltable (11.30 p.m.) on Friday, 13th August.

● These are certainly exciting times for The Outfit, who have just recorded their first single at Lombard Studios in Dublin and are at present negotiating a recording deal with a major record company.

● During the winter months, the band built up a huge following in Limerick through their Sunday afternoon residency in The Courtyard.

● Since their Courtyard days Paul Healy (ex I.O.U.s) has joined the band on guitar, and Mike Ryan is now playing keyboards.

● The Belltable gig will be the first opportunity for Limerick fans to see and hear the new line-up.

● Ireland's ambassador of mirth - will top the bill at The Two M Thursday (August 12)
