Barry Warner

- Had a personal visit from Barry Warner, the 22-year-old singer-songwriter from Limerick.
- Since the release of his debut single and video, "Real Man", Barry has been writing and recording new material.
- Musically, this talented young chap is breaking ground previously uncharted by Irish acts.
- His current single, **DANCING WITHOUT YOU**, is a 12" extended dance mix and Barry's biggest production to date. A spectacular video is also in the making to accompany the record. It will be released in Europe as well as these islands.
- A follow up single and album are scheduled for release in the New Year.
