The *Thomond Archaeological Society* traces its origins to the foundation of the *Limerick Field Club* in 1892 and more specifically to the establishment of its antiquarian section in 1897. It was later renamed the *North Munster Archaeological Society* but did not survive the difficult conditions of 1919. In 1929 it was re-established as the *Thomond Archaeological Society*. While this name is geographically accurate in the sense that the Society draws its membership primarily from the North Munster region it does not fully reflect its current broad interests and concerns embracing history, architecture, folklife and placenames in addition to the strong focus on archaeology.

The Society welcomes new members interested in these subjects. It organises lectures, field trips [evening, half day, full day and weekend] and an annual overseas tour. Members also receive a free copy of the *North Munster Antiquarian Journal*, the annual academic journal published by the Society.

Application forms and membership details are available from the Hon. Secretary, Mary Kenehan, 51 Rhebogue Meadows, Dublin Road, Limerick.

All material for publication in the *Journal* should be sent directly to the Hon. Editor, Liam Irwin, Mary Immaculate College, Limerick, [email liam.irwin@mic.ul.ie]
