CAHIRGUILLAMORE RAID

Two Prisoners Released

Two of the prisoners taken during the raid on Cahirguillamore House, have been released, we understand an inquiry is proceeding as regards the charge or charges against the other prisoners.

A Denial

The friends of Dr O'Brien, Fedamore, give a point-blank denial to the statement being whispered about that he had a surgical outfit at Cahirguillamore dance. He only had a few small pocket instruments which he invariably carries with him. It is some satisfaction to know that notwithstanding his serious experience, he is able to be up. His case, we are informed, is being referred to the local Medical Council.
