URDAY, JANUARY 12, 1952. ngs That Matter

R the reasons mentioned, the address delivered by Minister for Industry and

not calculated in them-to win votes. In our

real task before the ntry at the moment, as emass quite properly

Its evil results o

oduction in industry he workers, the em-

ar less than they are

instances men are not ng as much energy into work as they did fory and until this inexcussionthcoming is removed omic weakness cannot be led. No one wants "a itarian state," as the Minfor Industry and Come put it, but it is vital all sections pull their ht in the matter of giving ir return in output in ever operation in which ir return in output in ever operation in which are engaged.

are engaged.

* * * *
RTICULARLY poor is
the present rate of proion from the land of
ond. The statistics in this
rd are nothing if not
tling. Per man and per
output in this country is
mingly low. In the manuiring industry, agriculand trade in general
e is not only room but
nt need for increased out.
This is so obvious that
iust have struck all but
e who refuse to see. The
kness is there and it is
ething that must be courrusly faced with a view to
ng it speedily and fully
loved.

The Case For Limerick Cinema Workers On Y.F.C. OFFICIAL Strike Stated

BELOW we publish a lengthy official statement giving the case for the Limerick Cinema workers on strike. In this comparisons are given between the rates of pay, etc., obtaining here and those ruling in Dublin and Cork. We also insert hereunder a letter from the Employers' Federation saying "they have now invited the Labour Court to arrange for a public sitting in Limerick at the earliest possible date in order to hear the submission by both parties concerned in the dispute."

We are now officially informed that the Labour fa Court will sit in Limerick on Tuesday next to investigate the arts
