Arrest follows firing of shots

A man in his 20s was later arrested by gardai in Limerick last night after shots were fired at the Ryan O'Neill pub on Edward Street shortly before midnight.

Gardaí said two men pulled up in a car outside the pub. One got out, and at least one shot was fired from a shotgun at the window before the car sped off. Nobody was injured. A young man was arrested under Section 30 of the Offences Against the State Act for questioning.
