The Treasurer of the Lying-in Hospital begs most gratefully to acknowledge the receipt of £10 from "Anonymous," in aid of the funds of the institution.

LOCAL RAILWAY TRAFFIC RECEIPTS.

Waterford and Limerick Railway System Traffic Receipts 9th week, ending 31st August, 1888.

Rogers was shot dead by some

THE BRITISH ASSOCIATION

The British Association, divided into eight sections, entered to-day, in discussion of special subjects. The discussion was introduced by an address from the Secretary. In the geographical section, the subject was discussed on the trade routes between the east; in the anthropological section, the subject was discussed on the best means of increasing geographical knowledge available in the public in mechanical science, on the potentiality of electricity, to be used in kind; on physical science, Professor Dyer, on terrestrial magnetism, Professor Dyer, on chemical selection, pleaded for thoroughness in the study of geology. Professor Boyd Hawkins, in the section on the progress of his work, in reviewing the progress of his work, in the failure of all attempts to measure geological time in years, the subject was discussed on those merely of sequence of events. Professor Dyer, in the biological section, on the subject of perfecting natural classification.

MOVEMENTS OF THE 1ST BATTALION 1ST LEICESTER REGIMENT

The 1st Battalion 1st Leicesters left York this morning for Bermuda. General Dannie gave the following words to the men on their departure: "The York and Lancaster Regiment will be at the barracks at York."

THE DIJON RAILWAY

Besides the English passenger, yesterday as injured in the collision, the names are published of the following: a governess, Chester; Lady Mordaunt, slightly wounded; and Mrs St. John, slightly bruised.

The Press Association, from Dijon to-day, has ascertained that the man who was killed in the Dijon railway collision was the daughter of the late Captain Marriott, of West Cromwell, and Captain Marriott was himself slightly injured. He was with his wife and two children were travelling to Geneva. Captain Marriott's right arm and right leg were injured, does not belong to the
