United Ireland gives the following as a complete text of the cypher telegram addressed by Mr P O'Brien to Mr Carson:—"Mistake going on. The first evidence O'Brien will beat us. Leahy (Constable) no good. Keep to second case, and that only. You are making a farce of the affair—can't you keep quiet. Send on your complaint against Harrington. The Benchers at our next meeting will do the rest. You ought to act up to instructions, but do not attempt to go further." There are still some words undeciphered.
