# HANRATTY'S HOTEL HANDED OVER

MANY friends and well-wishers gathered in Hanratty's Hotel last night to say farewell to Mr. Desmond Acton and Mrs. Mamie Collins, who have sold the hotel to Mr. Christopher Andrews, eldest son of Dr. C. S. Andrews, C.I.E. Rail Chief.

Mr. Acton and Mrs. Collins bought the hotel some five-and-a-half years ago and completely modernised it. They built up a very reputable clientele and the hotel developed in popularity over the years.

Last night, customers and friends were guests of the former proprietors at an informal party, during which Mr. Acton thanked the customers for their loyal support over the past five years and introduced the new proprietor, Mr. Andrews and wished him every success in his new venture.

In reply, Mr. Andrews thanked Mr. Acton and said that it was his intention to

carry on the tradition established by the previous owners.

Mr. Andrews is a director of the Commodore Hotel, and was formerly a member of the Shannon Airport Catering Staff. Later he was on the teaching staff of the Shannon Hotel School before going to London to work at various leading hotels.

He returned to Ireland in 1959 to become Manager of the Commodore Hotel in Cobh and after one season went to the Shannon Shamrock Inn, Bunratty, which was then opened by a group of American financiers, and he has remained there for the past five years.

# Limerick deputation

It is unlikely that the deputation of Limerick T.D.s Senators and members of the Corporation will travel to Dublin this week to see the Minister for Local Government concerning the Watergate Housing Scheme.

The decision to have the deputation travel to Dublin was made at the last meeting of the City Council as a result of complaints by Council members that there was undue delay as far as the Department was concerned as regards approval of the lay-out plans for the Watergate Scheme.

Following the decision to send the deputation, it was necessary for the Corporation to write to the Minister to arrange a date and venue for the meeting and it is understood that those have not yet been fixed.

The deputation is also to take advantage of its visit to Dublin to call on the Garda Commissioner, Mr. D. Costigan, to discuss the new Limerick Parking Bye-Laws following complaints that the laws were causing a loss of trade to traders in William Street and
