MOMENT IN TIME PATRICKSWELL WIN 1982 LIMERICK SHC FINAL

The Patrickswell team (above) that beat Bruree (pictured right) in the 1982 Limerick SHC final on a scoreline of 0-17 to 0-15. It was the first of Patrickswell three-in-a-row as they also came back to win titles in 1983 and 1984. Below - Pa Foley accepts the trophy from county board chairman James Hickey. Bruree had lost the final four years earlier to South Liberties but would have to wait until 1994 before they got back to the final again and until 2006 before the tasted success.
