above-average fringe benefits.

GRAND CENTRAL STATION?

PLANNING permission has been sought by the Green Group for the conversion of the ground floor of the Grand Central to a shopping mall, with a 250-300 seater cinema overhead.

It is anticipated that the ground floor will be rented to the retail trade.

STICK IT!

LIMERICK Chamber of Commerce has written to the Department of Industry and Commerce complaining about the use of trading bans.

They are a form of restrictive trading, they say, owing to the arrangements which obtain in relation to distribution.

MILK PAYS

LINTOWEL'S milk factory is rated at £450, and pays £3,285 a year in rates to the local UDC, said Austin Mall at a council meeting. If the factory were not to exist, the town rate would be £1,000 higher.

with the airport "during the present campaign by American airlines to get into Dublin".

COURSING IS EVIL

DEAN W N F Empey told an ecumenical service for animal welfare groups that coursing is evil.

Speaking at the Cathedral of St Mary's of the Virgins he said that "coursing is a foul sport - it is evil - it is cruel it is perverse. It cannot but brutalise those that take part in it."

Pollution of rivers and streams for gain, which harm God's natural environment, are also an evil, said the dean.

FIRE

OVER ten acres of forest trees were destroyed by fire at Ballyhahill on Monday.

FERENKA STRIKE

FERENKA employess in the IT&GWU met in Limerick to discuss the unofficial dispute which has closed the factory.

Labour Court commissioner, Con Murphy is standing by in case he is needed.

The company says that there will be no talks unless work is resumed.

The dispute hinges on a demand that all foremen be elected from within and not appointed from outside.

HEALTH CUTS

THE budget of the Health

And on top of that the Board will have to meet extra contingencies of about £300,000.

The net amount approved by Dublin is £9,516,000.

The local authorities are this year striking a health rate of just 75 per cent.
