At a Meeting of the Governors of the House of Industry.—Tuesday, May 20, 1800.

WILLIAM GABBETT, Esq; in the Chair.

Resolved, "That it appears to this Meeting that since the appointment of Daily Visitors, which took place the 9th day of last month, considerable improvements have taken place, and that their attention promises to be of very great utility.

"That the House now contains 48 men, 91 women, 24 boys, 21 girls—in all 184 persons; nearly half of whom are employed—the remainder, consisting of infirm, blind, lunatics, and infants.

"That the accommodation the House now affords is very insufficient for even the number it contains; that many of them are miserably clad, the lunatics almost naked.

"That in point of room, the House is capable of containing a considerable number more than are at present in it, and whom, for want of accommodation, it is impossible to admit.

"That the funds of the House are totally inadequate to enable us to supply the quantity of bedding, clothing, and other necessaries now wanted, or even to maintain the number it now contains through the ensuing year.

"That it is therefore highly necessary and expedient, to take immediate steps towards procuring a considerable increase to our funds, which we can with confidence apply for, as we can with confidence state, that most material improvements have taken place in the institution; that the want of money is the only bar to the adoption of others, and that the public may be fully assured their bounty will not be misapplied.

"That the following Governors—Hon. and Rev. Dean Cribbe—Rev. John Hoare—Rev. A. Hill—Rev. Wm. Hoare—Anthony Lefroy—J. M. Harvey—J. Wilton—J. Fisher, and William Gabbett, Esquires, be appointed a Committee to solicit subscriptions in aid of this Charity, and to lay before the public a just statement of its present situation, and the strength of its claims to a liberal support.

LIMERICK, —MAY 23.

A Form of Prayer and Thanksgiving to Almighty God, to be used in all Churches and Chapels in this Kingdom, for thirty days after the fame is received by the Ministers thereof:

"O Almighty God, who, in all Ages of the World, hast manifested thy Power and Goodness in thy Providential Protection of good and godly Kings, ruling in Equity and Justice, and protecting and cherishing the holy and eternal truth: We, thine unworthy Servants, the sinful People of this Land, do prostrate ourselves before Thee, with Praise and Thanksgiving, for that Thou hast mercifully vouchsafed to frustrate, now, as in former instances, the atrocious Attempts of desperate and bloody-minded Men, against the sacred Person of thy Servant, our Sovereign.

"We acknowledge it to be of thy unspeakable Mercy, O Lord, that he hath not been cut off for the Sins of the Nation. Continue, we beseech Thee, thy watchful Care over him. Be Thou his Defence and Shield, and let no Weapon raised against him prosper. Cloath his Enemies with Shame, and disappoint their Treasons. Knit together, we beseech Thee, O Lord, the Hearts of this whole Nation, as the Heart of one Man, for the defence of our King, our Laws, and our Religion. Strengthen and confirm us, O Lord, we beseech Thee, in this Righteous and Loyal Consent and Union. Long may the Crown flourish in the Head of thine Anointed, and may the Work of Thee, his God, prosper in his Hands. And when it shall be thy blessed Will to call him to exchange this earthly Kingdom for the Inheritance of a Glory that fadeth not away, grant that this Sceptre may remain with his Children, and his Children's Children, from Generation to Generation: And that they, following themselves after his Example, zealous for thy Truth, and Ruling according to thy Law, may walk in the Light of thy Countenance for ever, and, through thy Blessing, reign like him in the Hearts of their People. These things, we humbly beg, O merciful God, for our Sovereign, for his Royal House, and for this Nation, in the Name, and through the Mediation of Jesus Christ our Lord and Saviour. Amen."
