

NOTICE TO ADVERTISERS

In consequence of the earlier departure of the evening train from Limerick, and the shortening of the time for posting to the General Post Office, it has been found necessary to issue the edition of the "Chronicle" at an earlier hour than hitherto. Advertisers will, therefore, please note that the latest hour at which advertisements can be received at this office on issue days is 3.30 p.m. Publication of any notices received after that hour cannot be guaranteed on that evening.

CARE OF DUMB ANIMALS.

The care and protection of dumb animals must appeal to the sympathies and natural instincts of young and old. The love of animals deserves, as it is, to be inculcated to the full in our thoughts and actions. They are the faithful servants of man, and indispensable to our daily needs, whether we look at it from the point of view of worldly pleasure, and so anything in the nature of ill-treatment or neglect of animals cannot but meet with the strongest disapprobation of all right thinking persons, no matter what his or her position in life may be. The subject is brought to mind by the annual meeting of the Limerick Branch of the Society for the Prevention of Cruelty to Animals, reported in our columns this evening. This Society is being worked by many ladies and gentlemen of city and county, whose unremitting interest in the welfare of our dumb friends deserves all praise. For many years it has quietly and effectively performed a truly benevolent work. We prefer to take the view that most of the cases of cruelty to animals are the result of mere thoughtlessness on the part of those committing them, and it is very gratifying to observe that such acts have declined considerably for some time past, thanks to the watchfulness of the Society and its energetic Inspector, and also to the educative effect of their activities. A Society such as this is deserving the best support of all who appreciate a work that is associated with true humanitarian instincts. But like many other philanthropic institutions the Society is handicapped through lack of funds. There was a falling off in subscriptions during the past year, and instead of there being a credit the Society is now faced with a debit balance. Now that attention is directed to this fact we feel assured that many friends and sympathisers will rally to its support. There really ought to be no lack of subscribers of sums large or small, and so placing the Society in possession of sufficient funds to enable it to carry on unimpaired the excellent work which for so long it has performed with distinct success and to the advantage of the community in general. The appeal for additional funds should, therefore, meet with a generous response. And in this connection we desire to direct attention to a Sale of Flowers and Country Produce to be held to-morrow, March 23rd, the depot being at Messrs. Todd's. It promises to be very successful, and it is hoped, will materially strengthen the financial position of the Society. City and County people will, we feel assured, heartily co-operate in promoting that much desired result; one that the Society so well deserves.

CURRENT COMMENT.

The Port of Limerick.

The port of Limerick, judging by the financial statement presented at yesterday's meeting of the Commissioners, would appear to be on the fair way of regaining the position it enjoyed before the war. The year 1913 was a record year from the point of view of shipping, as many as 454 vessels having arrived with a net tonnage of 189,820 tons. Were it not for the intervention of the war, it is assumed that equally prosperous years would also have been recorded. The geographical position of the port hampered to a very great extent the arrival of shipping during the period of hostilities. It was stated over and over again by the Ministry of Shipping that the Rhine was on the path of the enemy submarines; hence shipping declined, with the exception perhaps of the arrival of the regular trading steamers. What the loss to the port of Limerick was during the period of the intense submarine activities, can be very well imagined, and it was only with the greatest difficulty the Board were able to carry on. This was only possible by members of the staff going to sea, and the wages of those who were left behind being kept at pre-war level, notwithstanding the increased cost of living. However, the men were satisfied until better times returned, and when the Board saw its way to do so it rewarded them for their fidelity and self-sacrifice. The accounts submitted at yesterday's meeting showed that the tide has turned and revenue has increased. Last year 208 ships, with a net registered tonnage of 108,708 tons, arrived in port, which is a big advance on the previous year's returns. As the Chairman remarked, there is a lot of leeway to be made up before the 1913 record is reached, but this can only be brought about by a development of trade, which, it is hoped, will be our portion during the current year.

NOTICE TO SUBSCRIBERS.

To facilitate the closing of accounts, subscribers of the "Chronicle," who have not already done so, are requested to remit forthwith subscriptions for the past year.

THE LATE MRS FORDE.

At a special meeting of the Creamery Section, the following resolution was passed unanimously:—That, in view of the death of Mrs. Forde, a member of the Limerick Branch of the Limerick Creamery Section, the members of the section, and the members of the Limerick Branch of the Limerick Creamery Section, do hereby express their sincere sympathy in the death of Mrs. Forde.

IRISH SITUATION.

Publicity of Facts.

Debate in Commons.

In the Commons, last Saturday, the Chief Secretary applied for a supplementary vote of £13,945 for salaries and expenses for the office of Chief Secretary for Ireland in Dublin, Belfast, and London. He said the estimate arose because of the increased staff, clerical and police, and was temporary.

Captain Elliot moved the reduction of the vote by £5, as a protest in favour of fuller publicity by the Chief Secretary of happenings in Ireland. Captain Elliot urged the Chief Secretary to give to the House and country fuller information on matters raised from time to time, whether it made a favourable impression or not.

The Chief Secretary said he was in favour of wider publicity of facts, so that the House and the country might have the real facts of the Irish case. The amendment was defeated by 174 votes to 34. On a supplementary vote of £11,670 for County Court Offices, Commander Kenworthy moved to reduce the vote by £800, in order to draw attention to the great delay before cases were investigated. The motion was rejected by 153 to 18 votes.

PROTESTANT AID SOCIETY

Round Day.

The friends of this old and very deserving institution will observe by advertisement that the annual Round Day will be held on Thursday next, March 24th. Donations in money and kind will be received at the Home, Kyles Path, on that day. The Round Day is a day of great importance, as the Society is urgently in need of additional financial help, as may be seen from the report of the annual meeting, which appears in our fourth page this evening.

KNOCKLONG TRIAL.

Yesterday morning, in the City Hall, Dublin, the court-martial was resumed on the two young men, Edmund Foley and Patrick Maher, both from the Knocklong district, County Limerick, who are charged with the murder of Sergeant Peter Wallace, R.I.C., at Knocklong, on May 13th, 1919. There was an alternative charge of manslaughter.

Mr. Best, K.C., addressed the Court for the accused. The Prosecutor next addressed the Court.

After an absence of over an hour, the President announced that the accused were not guilty on the second charge (manslaughter) count.

When asked if accused had any statement to make, both prisoners protested their innocence.

LATE CANON O'GRADY, BANTRY

A specially convened meeting of the Bantry Select Vestry was held on the 17th inst., when the following resolution was passed:—"We, the members of the Select Vestry of this parish, express the deep sorrow with which we learn of the death of our beloved Rector. We offer to Mrs. O'Grady and to the Misses O'Grady our sincere sympathy in the heavy bereavement which has come upon them with such awful suddenness, and we assure them that we mourn with them the loss of him who, for so many years, our pastor and our true friend."

THE LATE MR PATRICK F. HARTIGAN.

Mr. Pat Hartigan, was (writes the London "Evening Standard") one of the best-known trainers in England, and at his training centre at Osbourne he had under his charge such horses as Royal Hussar, Nan Shan, Clarion (winner of the Derby), and others. He was a man of great energy and initiative, and his death, which occurred on the 17th inst., was a great loss to the racing world. He was a man of great energy and initiative, and his death, which occurred on the 17th inst., was a great loss to the racing world.

On the first day of the big offensive which ended the war, this genial Irishman received a shrapnel wound in the right arm, and the first finger of the left hand, while the shin bone of his right leg was badly fractured.

Regret in Tipperary.

A Tipperary correspondent writes:—"The news of the tragic death in Liverpool of Mr. P. F. Hartigan, the celebrated steeplechase trainer and owner, was received with keen regret in Tipperary. At the inception of the Ballykieteen Stud Farm, County Tipperary, some twenty years ago, Mr. Hartigan was placed in charge by the late Mr. George Edwards, and managed the place with great success. He was regarded as an excellent judge of horses, and was one of the most popular and familiar figures on the Irish turf, his genial, kindly manner winning for him hosts of friends."

SHOT AT AND WOUNDED.

Captain T. D. Atkinson, C.B.E., Secretary to the Commissioners of Charitable Donations and Bequests for Ireland, was shot at and wounded at his residence in Killiney, Co. Dublin, on Saturday night. Three armed men came to his house about 3 o'clock, and when Captain Atkinson entered the house, they fired three shots at him. He sustained a fracture of the little finger of both hands, and is reported to be doing well. His assailants got away.

MR BONAR LAW.

After staying the night at Dover, Mr. Bonar Law, his daughter, and son-in-law left for Calais at 9.30 on Sunday morning.

THE SHOOTING OF PATRICK FALSEY.

A Military Court of Inquiry, in lieu of an inquest was held at Kilmallock to inquire into the death of Patrick Falsely, who was shot while flying in a bomb across a road at Kilmallock.

The Court found that Patrick Falsely died from shock and hemorrhage, following on a bullet wound in the chest, and that the shot was fired by a person unknown, who was guilty of wilful murder.

"For the Blood is the Life."

Sufferers from Eczema, Boils, Pimples and Eruptions, Bad Legs, Abscesses, Ulcers, Piles, Glandular Swellings, Rheumatism, Gout,

should realise that these complaints are simply the symptoms of deep-rooted blood impurities, and while outward applications may give temporary benefit, they can do no more, because they cannot get below the surface of the skin.

The One Way to Real Relief, complete and lasting, is to rid the blood of the poisonous waste matter, the true cause of such troubles. "Clarke's Blood Mixture," by reason of its remarkable blood purifying properties, promptly attacks, overcomes and finally expels the impurities, that's why so many lasting recoveries stand to its credit. Pleasant to take and harmless to Old and Young alike.

LIMERICK PROTESTANT AID SOCIETY.

The annual meeting of the Limerick Protestant Aid Society.

The annual meeting of the Limerick Protestant Aid Society was held on Friday, March 18th, at the Home, Ryves Path. Mr. A. Murray presided. There were also present—Mrs. Goodwin, Mrs. Eakin, Mr. C. O. Fitz, Mr. E. J. Kelly, Mrs. Kelly, Mrs. Hackett, Miss Hamilton, Mr. Hackett, Miss Harding, Miss Bunnery, Very Rev. the Dean of Limerick, the Rev. Chancellor Waller, Rev. W. A. Neil, Mr. Canon Swain, Rev. Treasurer Abbott, Rev. A. H. Bennett, J. Dods, Sir Alex. W. Shaw, Mr. E. G. O'Driscoll, Samuel Kidd, G. E. Goodbody (High Sheriff), Hon. Treasurer; O. H. Fitz, Hon. Secretary.

Mr. Fitz read the annual report as follows:— "The Committee desire once more to return thanks to Almighty God for His blessing bestowed on the work of the Society during the past year. Quietly and unobtrusively that work is being carried on, so quietly that there is apparently the danger of its being unobserved by many of the Protestants of Limerick. That this is so, is evident from the fact that our income falls very far short of our expenditure, and we cannot believe that the people carelessly neglect the support of every good cause, would allow this work to suffer for lack of funds if they knew and remembered its existence. "The activities of the Society extend to three directions, the first and most prominent is the maintenance of our Home, in which are supported in comfort and cleanliness old people (men and women) at present numbering 12, who lack the means to support themselves or their friends to provide them. The Home is under the superintendence of a trained nurse (Mrs. K. Harding), to whom once again the Committee place on record their thanks for her constant attention to all the domestic matters upon which the Society is dependent. "There is our system of outdoor assistance to be remembered. To some of our poorer brethren we grant a regular monthly allowance, which though necessarily small, is of great assistance in meeting recurrent demands, such as rent. Others come to us in times of special difficulty when some of our members are upon the sick bed, and we are able to satisfy them from our own resources, and it is with thankful pride we record that none are ever refused when it is at all possible for the Society to help.

"The third method which the Society employs in buying and distributing of coal, Warath is also a very important factor in the work of the Society, the cost of obtaining it in the winter months is too well known in these days to need explanation. "We have thus briefly stated the work in which the Protestant Aid Society is, and has been for so many years, engaged, and we are convinced that it is only necessary for the cause to be known and its claims to support to be recognized, and the money necessary for the successful prosecution of the work will be forthcoming.

"The Committee desire again to thank Mr. Harding for his usual kindness in making a collection of £33.

"The Committee desire to place on record their deep regret at the death of Miss Murray, who for many years was a very sincere friend and supporter of the Society.

"The Committee cannot conclude its report without expressing its great regret at the departure of Mr. Thomas Grubb from the city. He was constant in his attendance at our meetings and had a deep interest in the work of the Society.

Canon Swain proposed the adoption of the report, which was seconded by Rev. Mr. Neil, supported by Chancellor Waller, and Sir Alexander Shaw, and adopted.
