

Death of Mr T. P. Geary.

It is with very deep and sincere regret that we chronicle the demise of Mr Thomas P Geary, St Ann's, South Circular Road, Limerick, which took place on Monday. The deceased, who was a director of Messrs Geary and Sons, had not been in robust health for some time, yet his death came with unexpected suddenness. A gentleman of many sterling parts, he was held in very high esteem and regarded by his fellow citizens and his demise will occasion profound regret and sorrow. To his widow, sons and daughters and other relatives we tender our deep sympathy in their great bereavement.
