*** **Ramsey's Waterford Chronicle** has "Arabella" Dickson, daughter of **Daniel Dickson**, Merchant of Limerick, marrying Richard Peppard, Printer, of Limerick on the 7th of October 1795. This has to be a case of bad handwriting or transcription by a reporter.

The Waterford Herald had Isabella.

Court of Claims 1826. This clearly states her name as Arabella twice. Their eldest son John Peppard claimed admittance as a Freeman in 1826.

**From Limerick Archives Court of Claims: -
 p.3.**

Betham shows Catherine married to a McAdam, in 1755, Elizabeth married to a Vokes and Mary married to a Tuthill. Mary is not necessarily the Mary who married Richard Tuthill in 1776. (Is Mr Dickson above really the Rev. Bassett Dickson and if so why is he not styled properly) Mr Dickson will have to be more positively identified. **Check Betham again.**

Pr. 25 Sept 1771

So it would seem that George of Cragbeg was married to Elizabeth Dickson. Could this be the same George Vokes who was of Ballylusky in 1709? This George was an adult in 1709 and that would make him a very old man if he was the George who died in 1771.

Stephen Hastings Limerick, Apothecary Will 23 Jan 1777 Pr. 31 May 1779	=	Catherine Davis

Rev. John Dickson Tory Hill D. 1786	= Mrs Dickson. Died in England Nov. 1787	Samuel Dickson 1760 Voter
William Dickson Tory Hill. D. Nov. 1770 Will proved 1771	= Miss Hastings Dau. of Stephen Fortune £1000. M. 23/--/1766.	Rev. Basset Dickson. Tory Hill D. March 1766.

The Dickson family of Croom Castle had a younger son, **Dr. Dickson** of Tory Hill/Knockdromassil, whose daughter Mary became the second wife of Richard Tuthill who died on the 13 May 1800. Mary was born in 1732 and married Richard on the 23 Dec. 1776 They had 6 children the first born in 1774 and the sixth born in 1787. Mary died in October 1804 and was buried in Kilkeedy Parish. Dr. Dickson must refer to the Rev. Bassett Dickson whose daughter Catherine married Philip MacAdam. (If these dates are true then Mary married at the age of 44, had her first child by Tuthill 2 years before their marriage and was 55 when she had her last child.) There has to be a mistake in Mary's birth year. (Born 1752 would make more sense). (This statement should be compared with the will Abstract above. Dr. Dickson has to be properly identified by his Christian name).

The 1815 Rates Book has **Samuel Dickson** at 59 Georges St. Limerick in a house valued at £100. The Rates due for that year amounted to £5-18-9.

To help locate this house it can be stated that Limerick's famous Club House was number 22.

It was valued at £150 pounds and the Rates due were £8-18-1¹/₂.

(This is probably the Samuel Dickson who died in 1818 in the Tontine Buildings on George's St.)

Limerick Archives. L/FR/PM/1/1/1. Rent roll for 1754/5.

The first name in the 1744/5 Rent Roll is one **Thomas Dixon** paying £1-10-0 for a house by West Water Gate. His rent was 6 years in arrears. (The name on the rent roll would be the name that appears on the original Lease so it cannot be assumed that Thomas Dixon is still alive. His heir might be the actual tenant in residence.)

The Limerick Corporation Index of 1843, Item 111, has more detailed information on this man. Thomas Dixon, a Skinner, got his 99 year lease on the 30th Sept. 1725. It was a stone house near West Water Gate. Adjoining on the East was Hezakiah Holland's house. On the West was the City wall, On the North was the River Shannon and on the South was the lane leading to West Water Gate. The same house had been previously leased in 1665 to Dermitius Coghlan, Rent Collector for the Corporation. Item 113, on the same day Thomas also got a small plot nearby measuring 29 yards in width and 54 yards in length for a rent of 10/- per annum. Some time between 1745 and 1749 Thomas Dixon died. A William Purdon held the lease next so it looks like Thomas had no heirs. The 1843 Index, Item 54, records the granting of a lease for a piece of ground measuring 30 yards by 54 yards for 10/- per annum to a John Mundy and a John Dixon on the 31 May 1692. The plot was located outside West Watergate
