Soviet commemoration: Can you help the Trades Council fill in the blanks?

Do you know any of the men in this picture of the Limerick Soviet Strike committee? The Trades Council is hoping to formally identify many of these people in this picture, taken in April 1919. It is these men who were key to the Limerick Soviet's ultimate success, and in advance of the centenary of the event, the council wants to commemorate them. They have sourced surnames - and but they are looking for first names. According to the trades council, the back row is formed of T McDonnell, J Carr, J Coffey, M Ryan, M Bennis, D O'Reilly, and M Gabbett. The fourth row is made up of F Whelan, M Daly, T Bourke, J Roberts, J McQuaine. The third row is made up of P O'Sullivan, W O'Brien, G Dunne, P Hehir, J Flynn, B Rea, L Kelliher, D O'Loughlin, J Hogan, C Johnson, M Reddan and J O'Keefe. And those seated are: D Griffin, RP O'Connor, J Casey, J Cronin, A Walsh, J O'Connor, P Dowling, J Buckner, C Carey, M Browne and J Leahy. If you can help fill in the blanks, telephone Mike at 087-4129789.
