ALL WERE "ON THE RUN"

The death has taken place at a fine old age of Mrs. Bridget Gleeson, at her residence, Coolboreen, Newport (writes our Newport correspondent). Deceased, who was mother of Rev. Father Patrick Gleeson, Melbourne, was a member of a very well known and popular local family, and her death is sincerely regretted in this district. During the fight for Irish freedom all her sons were "on the run" and their home was constantly raided by the British forces.

SOLD AT REASONABLE RATE.

Cart loads of timber (blocks) arrived in Killaloe for sale on Christmas Eve (writes our Killaloe correspondent). They were bought up at from 28/- to 30/- per horse load. The moderate rate of charge is a credit to these vendors of firewood, who were possessed of the Christmas spirit and would not over-charge for commodities so badly wanted by many inhabitants of the town.

CHRISTMAS GIFT OF TURF.

In Killaloe, where there are many poor people (writes our Killaloe correspondent), the local Branch of St. Vincent de Paul helped them to have a pleasant and cheerful Christmas. A lorry load of the best of turf was secured and distributed at their doors, a gift that was highly appreciated, more especially as the weather was cold and wet. In some instances, too, food was supplied to the most necessitous.

COUNTY SCHOLARSHIPS.

On Christmas Eve (writes our Abbeyfeale correspondent) Miss Mary Cris O'Carroll, Miss Mary Joe Moloney, and Miss Josephine O'Connor, of the Abbeyfeale Convent of Mercy Schools, received £10 each, first instalment of Co. Council Scholarship value £100 each, which was awarded to them on securing first, second and fourth places at the recent Co. Council Scholarships Examination.

BRUFF MAN'S SUDDEN DEATH

Mr. Patrick Twomey (52), of Newtown, Bruff, died suddenly in bed. It appears he was about to arise in the morning when he had a seizure and died in a few minutes.

Dr. T. Woulfe, Bruff, carried out a post mortem examination and on his report to the Coroner for East Limerick, Dr. J. P. Cleary, an inquest was not deemed necessary.

The late Mr. Twomey was a member of an old Bruff family, long connected with the district, and he was lucratively occupied in the business of market and fruit gardening. He was very popular with all classes and there was a large attendance at his interment, which took place at Teampullehn Cemetery.

FOYNES HARBOUR LIGHTING

The lighting of the pier and harbour buildings at Foynes was discussed at the monthly meeting of Foynes Harbour Board, Mr. H. M. V. O'Brien, Foynes Island, presiding.

It was recommended that the old system of carrying the current on overhead wires be abolished, as there was always a danger of these being blown down by strong winds and also of being struck by the derricks of cranes unloading ships at the quayside, and that the current be carried by underground cable.

On the proposition of the Chairman, a vote of sympathy was passed with Lady Monteagle on the death of Lord Monteagle.
