The Manager said that they
should have regard to the conditions
laid down in the Town Planning
Act. With regard to the statements
made about delays in dealing with
plans it was his intention to com-
pile the dates when plans were
submitted and when they were
approved. The Council could then
form an opinion on the allegations
made.

Mr. Russell—I would be very glad
to have such a statement.
The discussion then ended.

Mr. Thomas Hannigan, of the
Cottage, Bruree, who died during
last week, was a well-known mem-
ber of the farming community
(writes our Bruree correspondent).
Most industrious, he was an out-
standing agriculturist and a very
successful dairy farmer. A native
of Dromcollogher, he spent most of
his life in Bruree, where he made a
host of friends. He was a member
of a well-known family, with out-
standing connections in the county.
His popularity was evidenced in
the very large and widely repre-
sentative attendance that attended
his funeral, which took place from
Bruree Church to the family burial
ground at Dromcollogher.
