now considered to be in after an absence from the game of four or five months.

The matter will be dealt with at a meeting of the F.A.I. Emergency Committee to-morrow night.

CHARGE OF CRUELTY TO DONKEY

At Ennistymon District Court, John Carmody, Liscannor, was fined 10/- for working a donkey suffering from a sore foot.

Guard Benson said there was a hole in the foot and no shoes on the animal.

The defence was that the donkey had been left standing for three hours on the street, and owing to the intense cold developed cramp, which resulted in the animal having to keep its leg off the ground when standing.

DEATH OF MR. WM. SHEEHAN

The death occurred on Saturday of Mr. Wm. Sheehan, Parnell Street, who was a member of the City Fire Brigade staff for over 20 years. A most painstaking and obliging employee, he was held in high regard by his colleagues, who regret his death very sincerely. Deep sympathy will be extended to Mrs. Sheehan in her bereavement.

A FLARE-UP IN INDO-CHINA

Hand to hand fighting is reported to-day from French Indo-China, after a twenty-four hours calm. The flare-up started at a point 65 miles south of Hanoi, where French and native troops are locked in a bitter struggle.
