CECILIAN MUSICAL SOCIETY

The Cecilian Musical Society will once again appear in public next Sunday week, 4th May, when they will hold a symphony concert of unusual merit. Grieg's Piano Concerto in A Minor, played by Mr. Kieran Brady, an accomplished and gifted young pianist, forms part of their programme and will provide unusual interest for Limerick music lovers. The chorus "Tales of Vienna Forest," by special request, will be repeated. A varied programme of orchestral items is included, which, under the leadership of Mrs. Whitaker, assures patrons of a most pleasant evening's entertainment.
