PASSES AWAY IN LONDON

It is with deep regret that we an-
... nounce the death of Dr. W. L.
... O'Donnell, brother of T. E. O'Don-
... nell, solicitor, Limerick, which
... took place in London this morning
... as the result of an accident.

Doctor O'Donnell served with
... the British Expeditionary Forces
... in France in 1940 and subsequently,
... took up private medical practice in
... London. The deceased, who was
... only 43 years of age, was for many
... years a member of the Limerick
... Boat Club and was cox of the
... crew which won the I.A.R.U.
... Championship in 1927, which was
... stroked by his brother. He leaves
... a widow and one child aged 5
... years. Prior to his marriage, Mrs.
... O'Donnell was Miss Carew, of
... Knockgraffon House, Cahir, County
... Tipperary.

We wish to join in the wide-
... spread sympathy which is extended
... to the relatives of Doctor and Mrs.
... O'Donnell.
