"We are travelling in full strength with our All-Ireland fifteen and we will be accompartied by big crowds of our followers," is the pleasing news just to hand from Leix. The cam is trained to the ounce, and each player is determined to strain every muscle to bring about the defeat of Limerick. It is the first meeting of the two tesms and a thrilling exhibition of the National game is anticipated. The Leix boys will put up at Finn's Hotel, William-street, and they will march to the field in togs. I may here mention that a band will meet all the visiting teams at the railway terminus.

The Dubliners

From the training camp of the Dublin team have learned that the best men in the Metropolis will do duty against Tipperary, whose ilsg they are determined to haul down. The team will be explained by Tom Hayes, the former Limerick hurler. Big crowds will travel from the capital to see the contests, which have been so much spoken about in Dublin Gaelie encles. The he idquatters of the team will be Fuzpatrick's Hotel, William-street, where lunch will be provided prior to the malcues.

The Toomevara Selection

Tipperary will be represented by the farfamed and popular Toomevara selection, who are anxious to have a game with Dublin's best in view of recent happenings. The team has trained assiduously since the contests were stranged, and they expect to win from Dub-lin. The personnel of the team is : - J O'Meara (goal), "Widger" Meagher, S Hackett, Jack Harry, J.
