MILK MARKET ALL-WEATHER, ALL-WEEK SHOPPING

FRESH, GREAT VALUE, NATURAL FOODS ... AND MUCH MORE!

The Milk Market in Cornmarket Row is Limerick's most famous market. Here, since 1852, local producers and traders have been selling fresh, natural foods and other produce to residents and visitors alike.

Today, as people become increasingly aware of the importance of food quality and of the environment, the Milk Market is more popular than ever. It's the place where you can buy the freshest of food produce — delicious local, natural, in-season, organic and artisan foods, much of which you can snack on there and then.

The Milk Market is now covered by a **tensile canopy**, making it an all-weather market shopping experience. It also operates **throughout the week**, with different markets and market-based shops featuring food, flowers, shrubs and much more. Check out each market for details of what's on offer!

EVERY FRIDAY THE CITY MARKET

The Friday City Market is a new market which brings together an eclectic mix of some of the region's finest food producers and horticulturists to bring you the very best of produce from land and sea. It also features crafts and other products too. There are over 40 stalls offering a huge range of fruit & vegetables, meat, fish, cheese, breads & cakes, preserves and specialty foods — making it a one-stop-shop for all the items you need to create that special culinary delight in your kitchen at home. Flowers and shrubs will also feature at the market. You can also sample some tasty snacks and "food to go" options.

NOTE THIS: The Friday City Market opens until late (19.00hrs) so you can bring home an evening treat, including 'Food to Go' snacks.
