COUNCILLOR STOKES AGAIN SELEC- TED FOR THE SHERIFFALTY.

A special Statutory meeting of the Limerick Corporation was held in the Council Chamber of the Town Hall to-day, commencing at noon, for the purpose of electing a Mayor for the ensuing twelve months, and fixing his salary, and selecting a candidate whose name is to be submitted to the Lord Lieutenant for approval for the office of High Sheriff of the city for 1910. The Council Chamber was decorated for the occasion, pot plants and evergreens being largely in evidence on the tables and on the desk in front of the Mayor's dais. There was a large attendance of the public, both inside and outside the barrier, and when

licly there to vindicate his honour, and he claimed that the auditor's certificate be read (applause).

The Mayor asked Alderman M'Neice to postpone that question, because after all there was a difference and contradiction about it, and he was sure that, as far as the Alderman was concerned, his honour would be vindicated (hear, hear).

Councillor Gilligan said the Mayor made an apology in committee, and he had a right to do so also in open Council.

The Mayor—Now you oughtn't be a bear-garden to-day.

Councillor Gilligan said Alderman Donnellan charged Alderman M'Neice with meanness, and all they asked was that he would withdraw.

Councillor Meany said that was no time

Ald. Joyce, M.P., who was greeted with applause, said he had a gentleman to propose to fill the high and important office of Mayor of their old city for the present year.
