● MALACHY McCOURT

● Malachy and Frank McCourt, two Limerickmen originally from Schoolhouse Lane, who emigrated to New York, arrive back in Limerick to perform their show **A COUPLE OF BLACKGUARDS**, at The Belltable (Monday, July 1, for six nights).

● The McCourt brothers perform an evening of song, and story, based on their experiences of growing up barefoot in this city, and emigrating to New York, where living on their wits, they did everything from smuggling gold to tending an aviary.

● The show has already played New York, Syracuse, Philadelphia and Chicago, where it was enthusiastically received, and in many instances staying for extended runs.

● Malachy was an understudy for Milo O'Shea on Broadway for "Mass Appeal," and appearing in films like "The Molly Maguires," and the soon-to-be-released remake of "Brewster's Missions," with Richard Pryor.

● It promises to be a most entertaining evening with two Limerickmen telling audiences about their memories of home and their youth.

and regard us as song, sermon and story from memories of their youth here and their arrival in the U.S. as young, innocent (!) immigrants.

Coming: July 8th to 12th — **BELLTABLE CHILDREN'S SUMMER CLUB**.

GALLERY: Until July 12th — An Exhibition of Patchwork from the Mid-West.

Savoy Theatre

● Television and radio personality Gay Byrne will be in Limerick on Friday, July 5, to present the Miss Limerick final of the Miss Ireland-World Beauty Pageant.

● There will be several guests on the show, plus a superb fashion show presented by the competent Celia Holman Lee.

● The 1985 Miss Limerick will receive her trophy and over £1,200 in prizes. She will be flown (courtesy of Aer Lingus) to compete in the semi-final of Miss Ireland.

● A big forthcoming attraction at the Savoy Theatre, Limerick, is the engagement of **BAGATELLE**—direct from their sensationally successful U.S.A. tour.

● Their latest hits include "Summer In Dublin"; and "Second Violin".

● The date—Wednesday, July 24, at 8.30 p.m.

● The special guests will be Razmataz.
