Celia Holman has two gold medals in the collection of 54 that she has won.

YOUNG DANCER CROWNS SUCCESSES WITH CHAMPIONSHIP

CELIA HOLMAN, 39 Shanabooley Road, Ballynantybeg, has added to her collection of 54 medals, two cups and five certificates by winning the Dalton Feis Senior Championship for reel and hornpipe in the Gaelic League Hall last Sunday.

Celia, who is aged 14, commenced dancing with the Dalton School at the age of six, and in her first year of competition at the Feile Luimni won a bronze medal for taking second place in the new inventions event. Since then, she has competed at the Feile every year with marked success and has also won prizes for dancing at fixtures in Cork, Waterford, Dublin, Clarecastle, Mallow, Kilmallock, Caherconlish, Newmarket-on-Feigus and Ballylongford. In winning the championship this year, Celia has fulfilled

the promise of her performance in the event for the two previous years. At her first attempt she was placed third, and came second last year. Celia's friend, Geraldine O'Donoghue, of 36 Carey's Road, has won the reel and hornpipe championship for three successive years. Geraldine, who is aged 16, is also a member of the Dalton School of Dancing, and has so far won fifty medals at various Feiseanna throughout the country. Both Celia and Geraldine are employees of Crescent Clothing Ltd., Limerick.

Good deed the hungry

A SMALL group of Limerick school children have raised a Freedom From Hunger Campaign sum of £5 10s., and they made the purpose from neighbours.

Last Saturday the girls displayed the goods for sale on tastefully arranged stalls, and to give the market a homely touch they catered for young appetites—at a reasonable price—with their own home-made buns and lemonade. The big little effort began last year when the group put on a play, "Cinderella," and concert in a local garage. They had their stalls there, too, with books and toys, and at the end of it all they had £7-10 for the Freedom From Hunger Campaign. Last Christmas the girls formed a carol singing group to raise funds for this very deserving project.

THE GROUP

Leaders of the group are Miriam King (14), daughter

of Mr. and Mrs. King, 9 Farranshor (13), daughter of Mrs. W. F. view, Farranshor, Staunton. Mr. and Mrs. ton, 54 G. Miriam is daughter of French at Convent School, 6th class.
