 Board relative to the adoption  
 of a scale of salaries for Poor

 be referred to the Boards of Guardians.

r. Michael Connolly:—"That  
 the Association of Ireland, on  
 behalf of members who are sanitary sub-  
 committees of the Local Government Board  
 to consider a scheme of remuneration  
 for sanitary inspectors when fever or any other  
 disease breaks out in their district,  
 and they are called on to perform  
 the duties of the members  
 of great danger, and that such a  
 scheme be obligatory on Boards of  
 Sanitary District Councils, and that the  
 same be contributed towards same."

by Mr. Nicholas O'Carroll,  
 that we would respectfully  
 request the Local Government Board  
 to address Boards of Guar-

 salaries for Law positions. Considering  
 the large numbers of officers of long  
 service who under present con-  
 ditions are prevented from having proposed  
 salaries sanctioned pending the  
 introduction of such a scheme, we think it is  
 necessary that some decisive steps
