PREVIEW

Warsaw Radio release 'Down by the Sea'

BASED in Brighton, Warsaw Radio is fronted by songwriter, guitarist and vocalist Brian McNamara, originally from Limerick. With its fusion of folk, rock and country styles, their new single 'Down by the Sea' has enjoyed a great response with plays on BBC Radio 2, BBC Sussex, RTE 2FM and more in Ireland and across the UK.

The song follows promising singles 'Midnight Broadcast' and 'Give It All to Fear' which was produced by avant-garde folk/ indie producer Tim Bidwell (Kate Walsh, Fink and Jennifer Left).

Formed in late 2012, the name is inspired by the musicians who played on the Warsaw Radio station throughout the siege of Warsaw in 1939.

For fans of Wilco or The Waterboys, Warsaw Radio with support from Della Lupa and Kev Minney play Dolan's this Friday February 19.
