JUST Launch

There was a huge turn out in Baker Place on Tuesday the 12th of May for the launch of local Band "Just" new single. A few hundred punters packed the bar in Baker Place to listen to the band perform their new single the "Arrogance Song". The band of been signed by a Danish record company and are beginning to make a lot of waves in the music world. They also played a publicity performance outside HMV on Friday. Amanda Ross Gorey of Calvin Klein was their on the night making sure that everybody in attendance went home with loads of free samples. So now you know why that guy you saw in Supermacs last Tuesday night was putting on some pretty nice smelling after-shave. If you want to see JUST perform live in the near future just (no pun intended) pop down to Baker Place on Sunday 24th May and tell them DROP sent you.
