

Birdthistle to take flight at Aubars

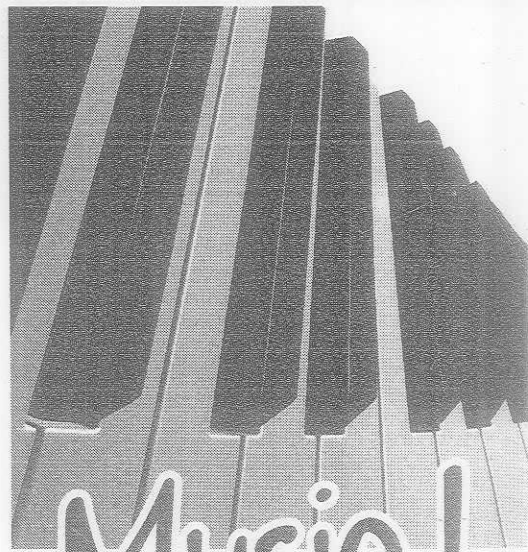

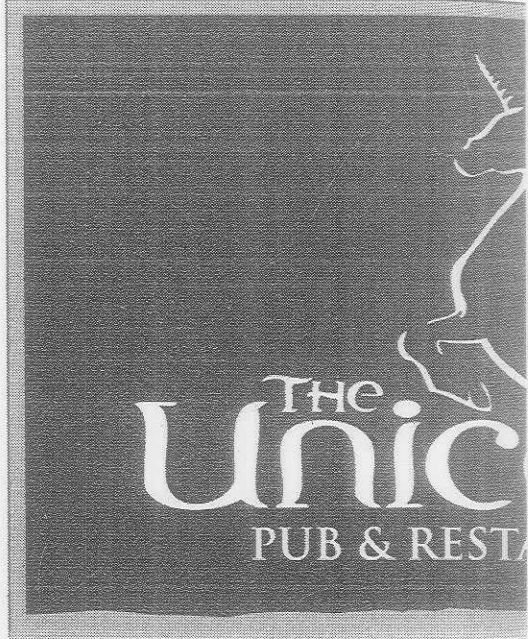

LIMERICK band Birdthistle will take to the stage for the first time in Aubars Limerick this Friday July 13 as part of the venue's Pig 'N' Porter Party in support of the 11th annual Pig 'N' Porter Tag Rugby Festival, taking place on Saturday July 14 in Old Crescent RFC, Limerick. Birdthistle will showcase material off their forthcoming debut album entitled 'Time Laughs'.

2012 has already proven a successful year for Birdthistle, as they secured a significant management deal on completion of this album. 'Time Laughs' was produced and recorded by Daragh Dukes, along with Chris O'Brien and Graham

Murphy of The Production Suite, both of whom previously recorded and produced music for renowned acts such as The Waterboys, Clannad and The Blue Nile. UK airplay of the album has led to further industry interest in the boys and plans are in place for a series of UK showcase gigs.

Supporting Birdthistle on the night will be the talented Yvonne McCarthy. The show will kick-start from 9.30pm with a complimentary barbecue. 'The Club' at Aubars opens from 11pm with free entry and lots of great drink promotions running throughout the night.
