

... true. Then another person brought a paper containing an account of the horse at the hunt, and he found that the horse which he had sold to Mr. The paper was "Spart," or "The man." He then told Father to write to Mr. Donovan and demand the money. He wished to mention solicitors wrote to Mr. Donovan's suggesting that the matter should be a gentleman attending the hunt. He suggested Mr. Delmege. is refused. During the last twelve ad the horse, he believed he was ound. He sold him on the day he irty miles. He used him as e time he had the horse.

case closed with the reading of the on then stated the defendant's case. ossibly few men in the community who cared less than Mr. Donovan amount of money involved. This ought to recover money, not for the but for interests far above money ostance, for his client stood there osay that he did not deserve to have him at the instance of any man- everend and much respected bishop, on that he was a knave and a if that accusation were true it was e defendant should be answering eds, but side by side with malefactors is crime before his lordship. The not simply whether this horse died se alone. It was whether, Donovan, t he did not die of heart disease, ented to the bishop that he did, in getting from the bishop what the promised to give him. If Donovan the horse died of heart disease, no rreous, unreasonab, or unfounded ght have been which he expressed, it nable, nor would he be answerable in urt. In order to be guilty of obtain- der false pretences, he should know ance was false. No matter how wrong t have been in his judgment if he g himself to Donovan, and Donovan ved what Phelan told him, he would nsible because that representation e false. Counsel then urged that a heart disease might have pas- amination without showing pal- symptoms of undue distress. l to the arbitration, he said it was by defendant, and he would show he plaintiff and not defendant who a the matter.

an was examined in support of his tement. In the course of his evi- l he did not know a better rider than who was a particularly light weight. edge Mr. Phelan did not misuse the day, nor did he cruelly press him. he met at Ballinbass g on the road trenching their horses. The horse gn. of being cruelly used. At the top r. Phelan shouted to hold hard, that e done. Phelan's horse seemed to

gerald for drunkenness and disorderly conduct ; fined 20s. or 14 days' imprisonment. He was also sent to prison for seven days for assaulting the Sergeant.

A farmer named William Nestor summoned a servant boy named Hennessy under the Employer and Workman's Act for breach of contract, by leaving his employment without just or reasonable cause.

Mr. Power, solicitor, appeared for complainant. After a lengthened hearing, the court ordered the defendant to pay to complainant £4 damages for breach of contract.
